Black Greek-letter Organizations in the Twenty-First Century Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead **Continually Working** Crystal Marie

White Sororities and the Cultural Work of Belonging Charlotte Hogg, 2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including increased scrutiny on White women s social justice failings have intensified But as Hogg shows rhetorics of belonging have always occurred amid and even in response to anti GLO sentiment She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside In her analysis Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing Through engaging narrative drawing on her experiences as a member of a White sorority archival research and interviews with collegians and alumni she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways This thought provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies gender studies feminism sociology cultural anthropology and history
