

Compare and Contrast Essay

When you read two stories do you ever notice anything they have in common or different? In the two stories, "A Sound of Thunder" and "Being Prey," I found many things that they had in common and things that were very different.

One similarity between these two stories is that both of the main characters had to face a dangerous situation. In "A Sound of Thunder," the dangerous thing was the dinosaur that the main character, Eckels, had to hunt. In "Being Prey," the dangerous situation was Plumwood being attacked by a crocodile.

Another similarity between the two stories is that the conflicts were caused by animals. In "A Sound of Thunder," the animal that caused the conflict was a dinosaur. In "Being Prey," the animal that caused the conflict was a dinosaur.

These two stories are also similar because the main characters in both of the stories didn't follow the instructions they were given. In "A Sound of Thunder," Eckels went off of the path that he was supposed to stay on. In "Being Prey," Plumwood didn't follow what the map said. This made her go where she was told not to go. These conflicts are important because they both lead to very serious things.

They are also similar because both of the characters were adventurous. In "A Sound of Thunder," the main character wanted to go to the past to hunt dinosaurs. In "Being Prey," the main character wanted to go canoeing in a lake full of crocodiles. Going to these places is what caused the characters' main conflict.

Another reason these stories are alike is because they both have foreshadowing. In "A Sound of Thunder," there was foreshadowing when one of the characters explained what would happen if someone got off of the path. This gave me a hint that someone would step off of the path. In "Being Prey," there was foreshadowing when Plumwood kept having a feeling of unease. This gave me a hint that something bad was going to happen.

These stories are also very different. One way that they were different was that in "A Sound of Thunder" the character had to hunt an animal. This is what caused Eckels to get scared and walk off of the path. In "Being Prey," the character was being hunted by an animal. This is what caused the character to get hurt badly and almost die.

Another way these stories are different is that in "A Sound of Thunder" the setting was in the past. In "Being Prey," the setting was during this time. These settings made the conflicts very different.
