### PAPER 2:

### A PRÉCIS

#### WHAT IS A PRÉCIS?

A précis is a way of summarizing in which the tone, proportions, and meaning of the original text are maintained. A précis summarizes a reading that you have completed. The length of a précis can vary greatly; it can be 100-200 words or approximately one-fifth to one-sixth of the length of the original reading. Check with your professor for exact length specifications.

#### HOW TO WRITE A PRÉCIS

Various steps can be followed to write an effective précis. They are as follows:

- ⇒ Read the work multiple times.
- ⇒ Take notes on the key points of the reading and underline key sentences.
- ⇒ Compose an outline of the reading.
- ⇒ Using the outline and your notes, summarize each paragraph in the reading into one to two sentences.
- ⇒ Combine the sentences into a logical format and create your own paragraphs that mirror the work.
- ⇒ Review the précis and ensure that it has the same tone, proportions, and meaning as the original text.

#### TIPS FOR AN EFFECTIVE PRÉCIS

- ⇒ **Context:** Date, place, genre, description (1 sentence), title is underlined
- ⇒ **Be sure to include the thesis or purpose of the reading.**
- ⇒ Include the author, title of the reading, and other relevant source information.
- ⇒ Be as concise as possible, but still include all important points.
- ⇒ Use your own words, but do not include your opinion.
- ⇒ Avoid using phrases like "this article states..."; instead cite the author or the authoring organization.
- ⇒ Do not make an argument in the précis; only restate the author's argument.
- ⇒ Revise and edit the précis to make it as clear and accurate as possible.

**PROOF READ** and be careful with the possessives
