Praying to Gain the Heart of God Alvin L. Anthony, 2014-11-20 Lord teach us how to pray Our Father which art in heaven hallowed be thy name Thy kingdom come Thy will be done in earth as it is in heaven Give us this day our daily bread And forgive us our debts as we forgive our debtors And lead us not into temptation but deliver us from evil For thine is the kingdom and the power and the glory forever Amen Matthew 6 9 13 KJV Praying is the easiest of things to do and yet it is the hardest We will overcome the most difficult of physical challenges and lose faith tiring on bending knees He awaits us to commune with him His delight is for his children to ask of Him and we fail to believe it And whatsoever ye shall ask in My name that will I do that the Father may be glorified in the Son If ye ask anything in My name I will do it John 14 13 14 KJV Hitherto have ye asked nothing in my name ask and ye shall receive that your joy may be full John 16 24 KJV **Praying**

In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life. The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church. This requires our diligent thorough and practical labor together with God. In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us. The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life. These messages begin to unveil the relationship between the grafted life and God's organic salvation. Message Seven unfolds the matters of regeneration and sanctification. Regeneration is to bring God into man to have God as life in addition to our original human life. Sanctification is to be saturated with God organically. Sanctification is for God's sonizing that is sanctification is for sonship. Message Eight presents the matters of renewing and transformation. As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God. To be renewed is to have God's element added into our being to replace and discharge our old element. Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism. It is the metabolic function of the life of God in the believers. Message Nine shows us that conformation denotes the shaping of life as the divine life grows within us and transforms us. It spontaneously shapes us into the form the image of the firstborn Son of God. Glorification however is the step in God's complete salvation in which God will completely saturate our body with the glory of His life and nature. Lastly we include letters concerning the Lord's move in the Pacific Islands and Romania.
