agents Mohawk retained a high powered union busting attorney who appealed directly to ultra conservative heads of the National Labor Relations Board while Right to Work Committee lawyers framed the issue as a test case to revoke laws protecting employee rights The union s only hope rested on presenting evidence too formidable for political bias to surmount This memoir infused with dry wit and insights into human nature blows the lid off the nation s union busting epidemic thrusting readers into the tumultuous environment of a union hall in crisis

Consent and Control in the Authoritarian Workplace Martin Krzywdzinski, 2018-01-26 Today a large proportion of the world s states are under authoritarian governments These countries limit participation rights both in the political sphere and in the workplace At the same time they have to generate consent in the workplace in order to ensure social stability and prevent the escalation of conflicts But how do companies generate consent given that employee voice and interest representation may be limited or entirely absent Based on a review of research literature from sociology organizational psychology and behavioural economics this book develops a theory of consent generation and distinguishes three groups of consent producing mechanisms socialization incentive mechanisms and participation and interest representation It presents an empirical analysis of how these mechanisms work in Russian and Chinese automotive factories and shows how socio cultural factors and labour regulation explain the differences between both countries regarding consent and control in the workplace The book contributes to two research debates First it examines the generation of consent in the workplace a core topic of the sociology of work and organization Its particular focus is on consent generation in authoritarian societies Secondly the book contributes to the debate about the reasons for the completely different trajectories of post communist Russia and China The book provides an empirical analysis that explains the different work behaviours of employees in both countries and links the micro level of the workplace and the macro level of institutions and organizational cultures

The Creativity Leap Natalie Nixon, 2023-10-17 Natalie Nixon s new book provides a fresh primer on how to cultivate creativity in the workplace Nir Eyal bestselling author of *Hooked* and *Indistractable* Too many people associate creativity solely with the arts even though to be an incredible scientist engineer or entrepreneur requires immense creativity And it s the key to developing breakthrough products and services Natalie Nixon a creativity strategist with a background in cultural anthropology fashion and service design says that in the fourth industrial revolution a creativity leap is needed to bridge the gap that exists between the churn of work and the highly sought after prize called innovation Nixon says that since humans are hardwired to be creative it is a competency anyone can develop She shows that it balances wonder awe audacity and curiosity with rigor discipline skill building and attention to detail and that inquiry improvisation and intuition are the key practices that increase those capacities Drawing on interviews with fifty six people from diverse backgrounds farming law plumbing architecture perfumery medicine education technology and more she offers illuminating examples of how creativity manifests in every kind of work Combining creativity tools and techniques with real world stories of innovative people and businesses this book is a provocation an inspiration and

an invitation to unleash the innate creativity that lies within each of us It offers a more dynamic and integrative way to adapt and innovate one that allows us the freedom to access our full human selves The Effortless Experience Matthew Dixon,Nick Toman,Rick DeLisi,2013-09-12 Everyone knows that the best way to create customer loyalty is with service so good so over the top that it surprises and delights But what if everyone is wrong In their acclaimed bestseller The Challenger Sale Matthew Dixon and his colleagues at CEB busted many longstanding myths about sales Now they ve turned their research and analysis to a new vital business subject customer loyalty with a new book that turns the conventional wisdom on its head The idea that companies must delight customers by exceeding service expectations is so entrenched that managers rarely even question it They devote untold time energy and resources to trying to dazzle people and inspire their undying loyalty Yet CEB s careful research over five years and tens of thousands of respondents proves that the dazzle factor is wildly overrated it simply doesn t predict repeat sales share of wallet or positive wordof mouth The reality Loyalty is driven by how well a company delivers on its basic promises and solves day to day problems not on how spectacular its service experience might be Most customers don t want to be wowed they want an effortless experience And they are far more likely to punish you for bad service than to reward you for good service If you put on your customer hat rather than your manager or marketer hat this makes a lot of sense What do you really want from your cable company a free month of HBO when it screws up or a fast painless restoration of your connection What about your bank do you want free cookies and a cheerful smile even a personal relationship with your teller Or just a quick in and out transaction and an easy way to get a refund when it accidentally overcharges on fees The Effortless Experience takes readers on a fascinating journey deep inside the customer experience to reveal what really makes customers loyal and disloyal The authors lay out the four key pillars of a low effort customer experience along the way delivering robust data shocking insights and profiles of companies that are already using the principles revealed by CEB s research with great results And they include many tools and templates you can start applying right away to improve service reduce costs decrease customer churn and ultimately generate the elusive loyalty that the dazzle factor fails to deliver The rewards are there for the taking and the pathway to achieving them is now clearly marked **Occupational Safety and Health Decisions** ,1998 Executive Profiles Chicago Tribune Staff,2013-03-26 Collected from the Chicago Tribune s column of the same name Executive Profiles is an intimate and informative look into the lives of top Chicago business and organization leaders executives and CEOs These profiles do more than just detail the success of these individuals companies however In discussions that range from family to hobbies to personal business philosophies the interviewers seek to understand the people behind the heads of these stalwart Chicago institutions Arranged by industry Executive Profiles is a serious look at an eclectic range of Chicago s movers and shakers but it also offers an entertaining peek into the more personal human sides of these business leaders For fascinating insight into the habits and philosophies of Chicago s driven business and nonprofit executives look no further than this inspiring collection
