Bureau Score

The Bureau Score is calculated from an algorithm based on information in your current available credit data and is a fluid number which may change from time to time in tandem with changes in your credit information.

The Bureau Score or this Credit Report does not draw any conclusions or make credit decisions for financial institutions. The Bureau Score is only one of various pieces of information used by financial institutions in their credit assessment process. The use of the Bureau Score by a financial institution for credit assessment is entirely optional. Each financial institution has its own internal credit score and risk profile for each applicant including the applicant's financial and demographic information. Credit Bureau (Singapore) Pte Ltd is not involved in any way in the credit decision process of the financial institution.
