

Concept Paper: Bullying

The bill, now a law defines acts of bullying in schools and authorizes these institutions to impose sanctions on student bullies. Bullying is the most common form of violence in schools, not only in elementary and secondary schools but also in tertiary level schools may it be state universities, school foundations or private colleges and universities. Students are ridiculed, taunted, teased, mocked and made fun of by fellow students who think or feel that they can get away with such behavior because they are superior, or great than the students they bully.

Schools and its administrators are always in a dilemma as to they would address bullies in the amp's. In previous news, a student from a very prestigious private school was a victim when a father of a classmate brought a gun in school toted it to a student inside the classroom. This was a very controversial issue that may have somehow hastened the passing of the anti-bullying law. A recent news also tackled about bullying in which a 12 year - old victim committed suicide by hanging herself due to depression from being bullied by her classmates.

It is therefore imperative for schools to come up with programs to promote such law and to make students aware of what they could do about the issue. It is the aim of this research to find out how knowledgeable or to determine the General Santos Doctors' Medical School Foundation Incorporated students' level of awareness about this matter and how they could help deter future bullies.
