

LETTER OF RECOMMENDATION FOR CLINICAL OBSERVERSHIP

Dear Chairman of the Denton Medical College,

Thank you for your kind attention to this letter. I am writing on behalf of Dr. Edward Korcheck, a talented and skilled Oncologist specializing in cancers of the head and neck, to recommend him for an observership program in the United States at your renowned university. I first met Edward when he was an intern, and subsequently had the honor of working with him as a resident and fellow. He is a very hardworking individual with a dedication to bringing the latest innovations in medicine to his small hometown. I have personally seen him work and interact with patients, and can honestly say that he ranks in the top 10% of physicians that I have ever trained and worked with.

With a highly attuned attention to detail, Dr. Korcheck has caught many inconsistencies with diagnoses that have saved many a patient's life. Additionally, his observations of a tiny lesion on a patient allowed the medical team to quickly stabilize the patient and prevent further spread of the rash, which turned out to be the start of sepsis from an infected incision. He has expressed his interest in going abroad not only to learn different techniques, but also to observe and participate in cutting-edge research that is not available here.

As a person, Dr. Korcheck is humble and very easy to get along with. He has a very jolly manner which belies his steadfast dedication to each of his patients, even in cases with high morbidity. As he was trained in both English and Swedish, his English is highly proficient and he is able to read scientific articles with ease. Dr. Alan Richards of the Otolaryngology department has already agreed to act as a sponsor and mentor for Dr. Korcheck pending his acceptance to the program. Please let me know if you have any questions or concerns that I can help to address.

Sincerely,

Dr. Franz Sonorz, MD
Chair of Oncology
