

Discovering the Enchanting Culture of Ireland

3 pages | 701 words

My first encounter with Ireland and its culture was rather trivial. I saw some Irish dancing and was fascinated by its rigor, energy, and emotional charge. I am not a dancer myself but Irish dances that I saw on TV made me want to get on my feet and start tap-dancing. Unfortunately, at our English classes at school we mostly study the history and traditions of Great Britain. We have not had any special lessons devoted to Ireland yet. I was surprised to learn that the Emerald Isle is a unique country with its own special culture, traditions and even its own peculiar and mysteriously sounding Gaelic language.

The first things I learnt about Irish culture made me want to explore more about this enchanting land of poets, musicians, dancers, saints, and scholars. Not only did I learn about Irish jigs and reels, but I also found out about great Irish poets, writers and playwrights, traditional music and songs, world famous musicians of Irish origin, St Patrick's parades and parties. I have discovered to my own surprise that here in Russia I have been surrounded by Irish culture without even realizing that it is Irish.

I have learnt a new word "craic" which has no equivalent in the English language. Craic" is a mixture of fun, entertainment, and enjoyable conversation. I suppose that this word alone can explain the nature of the Irish national character and be the answer to the question why Irish culture is so popular around the world. I suppose that the international popularity of Irish culture is closely connected with the history of the country and the national identity of its people. Firstly, the Irish have traditionally been "one of the biggest wandering peoples of the world. " Due to mass emigration many countries got familiar with Irish cultural traditions a long time ago.

Thus, Irish culture is not confined to one piece of land. Secondly, Irish culture is adaptable, pliant, and flexible because of the openness and friendliness which run in the blood of the Irish. For example, anyone can participate in St Patrick's parades or try Irish dancing. Other reasons of the world-wide obsession with the Irish culture are its beauty, freshness and originality. 'Original', 'fresh' and 'beautiful' are the words which come to my mind when I read a poem by W. B. Yeats, watch an Irish dance, see a colorful St Patrick's procession or listen to Irish traditional music.

Despite its international popularity Irish culture on the whole retains its uniqueness and authentic spirit. That is why people around the world still see Ireland as a spiritual reservoir and turn to Irish culture when they need to feed their souls. In the era of globalization when boundaries between countries and nations are becoming more and more blurred, it is really important to preserve and promote your own culture. The Irish are very good at it. They have managed to make their culture a visiting card.

Although some people say that Irish culture is losing its authenticity and is becoming commercialized,...

Sample Irish Essay On Recession

Annelies Wilder-Smith

Sample Irish Essay On Recession:

Ireland under austerity Colin Coulter, Angela Nagle, 2015-07-29 A radical look at the Irish austerity measures and the attempts to prop up business and the banks at the expense of ordinary citizens left to bear the brunt of conditions they did not cause Many of these contributors predicted Ireland's rapid cycle of boom and bust even at the height of the Celtic Tiger boom

Critiquing Neoliberalism Natalie Morningstar, 2025-09-01 Following the fallout of the 2008 recession in the Republic of Ireland its creative economy is framed as a window onto a range of other shifts in contemporary Irish society including the recent rise of Irish nationalism This book follows a group of young activists and artists who were facing increasingly precarious housing and labour market and were involved in a range of activist campaigns particularly for reproductive rights and social and affordable housing critiquing what they referred to as neoliberalism

The Economic Reconciliation Process: Middle Eastern Populations in Conflict Ilan Bijaoui, 2014-06-06 The Economic Reconciliation Process develops hybrid cross border models based on the free economic zone the industrial district and the cluster to generate a common economic interest between countries and populations in declared or potential conflict in the Middle East

Backpacker, 2007-09 Backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world's first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker's Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured

Papers Presented at the ... International Institute on the Prevention and Treatment of Alcoholism, 1985

The New European Industrial Policy Franco Mosconi, 2015-05-22 The years since the global financial crisis have seen something of a renaissance in the manufacturing industry The United States has launched its Advanced Manufacturing Partnership and China owes much of its spectacular economic boom in the last decades to its being the world's factory Is there room for the EU in this landscape This timely new book explores Europe's role in this evolving environment It argues that on the one hand in terms of sheer numbers the role of the manufacturing industry in the EU is on a par with other major

global economies However the book also states that Europe falls short of its global competitors the USA in particular in terms of its involvement in the most innovative manufacturing sectors The volume therefore argues that this creates the opportunity for a new European industrial policy Exploring the development of current EU policy the book puts forward suggestions as to how the EU can improve in terms of the competitiveness of its technology policy Placing the EU s position in the context of the industrial structures of the USA Japan and the BRICs the book blends theoretical models and practical examples in order to offer a the state of the art look at the current and future direction of Europe s industrial policy This book will be of relevance to all those with an interest in European economics industrial economics public policy European politics and European studies *A Bibliography of British History, 1914-1989* Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index *The Agricultural Gazette and Modern Farming* ,1886 **Sociological Abstracts** Leo P. Chall,1993 *New England Journal of Education* Thomas Williams Bicknell,Albert Edward Winship,Anson Wood Belding,1904 *Journal of Education* ,1904 *Bulletin of the Atomic Scientists* ,1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards** ,2004 Theses on any subject submitted by the academic libraries in the UK and Ireland **Harvard Book Review** ,1989 **Population Index** ,1985 Annotated bibliography covering books journal articles working papers and other material on topics in population and demography *New Society* ,1985 **The New York Times Index** ,2009 **1977 Annual Supplement** George W. Johnson,1978-01-07
