parents with children in public schools can't believe they're asking this question. But they are. And you should be asking it too. Almost overnight America's public schools have become morally toxic. And they are especially poisonous for the hearts and minds of children from religious families of every faith, ordinary families who value traditional morality and plain old common sense. If you answered yes to any of these questions, help has arrived. *HELP! My Child Hates School* cuts to the root of your child's school issues and shows you practical ways to turn the situation around, getting your child out of misery and back to thriving.
