

Church Welcome Speech

I want to take a moment to extend a very warm welcome to everyone who's visiting us for the first time this morning. Whether you're just having a look, or are searching out for a place to worship, we're delighted to have you here.

To give you some idea of what we're all about, I'll quickly sketch some of our foundational beliefs.

Our vision says this: Getting and growing people in relationship with Jesus.

So firstly, we're all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So if this is your first time in church, we hope that get to know Him as we do, because He's truly what life is all about for us!

Secondly we're all about people. Every person who walks through our doors is important to us, so if you ever feel like just another number, we're doing something wrong and I give you permission to tell me about it.

As a group of God's people we care about you and your family and we're here not only to feed you spiritually, but to help in any way we can. We love doing it and it's why we exist!
