Class Letters Claire Chilton Lopez, 2013-04-15 In *Class Letters*, we meet Anne, an English single mom and high school English teacher. Yes, she enjoys the irony. She loves the students she teaches and hopes to not only educate them but to prepare them for life after high school. In an attempt to connect with her senior English class on a deeper, more personal level, Anne begins to write them monthly letters addressing intangibles such as honesty, gratitude, and love. To her surprise and delight, her students reply with heartfelt responses, sharing many of their personal challenges and successes. *Class Letters* follows Anne and her students through one full school year, revealing their many ups and downs and showing how authentic, lasting connections can be made through the exchange of letters.

The Burst! Workout Sean Foy M.A., 2014-09-23 Here from Sean Foy, exercise physiologist and coauthor of the million-copy bestseller *The Daniel Plan*, is *The Burst Workout*, a complete program for 10-minute interval and circuit workouts that can be done practically anywhere, anytime. Study after study proves the effectiveness of high-intensity interval training. Now here's exactly how to do it: four minutes to raise the heart rate and metabolism, three minutes of resistance training to strengthen muscles and bones, two minutes of core movements for the abs and back, one minute of deep breathing and stretching, a vital component missing from other popular high-intensity circuit programs. The book features three four-week programs: Level 1 with no equipment required, perfect for the office and fighting the sitting disease; Level 2 with minimal equipment; and Level 3, which brings interval training to the gym. The simple, scientifically devised exercises are illustrated with step-by-step photographs and are easy to master. The results are astonishing. The workouts boost metabolic rate, promote weight loss, target all the major muscle groups, increase cardiovascular endurance, have a positive effect on cholesterol levels and blood pressure, and deliver a sense of well-being. All in just a few minutes a day.
