Barnes, Anne Streaty Wimberly, 2016-06-10 Informed by the experiences of 772 Black churches this book relies on a multidisciplinary mixed methodological lens to examine how today's Black churches address the religious and non religious educational and broader socialization needs of youth Drawing from a cultural and ecological framework of village mindedness Barnes and Wimberly examine the intersected nature of place space and race to propel a conversation about whether and how the Black Church can become a more relevant and empowering presence for youth and the Black community **North-western Christian Advocate**, 1919 **Drug Use and Abuse in the Memphis-Shelby County School System** United States.
