Out Of The Bottomless Pit:

Out of the Bottomless Pit Book 2 S N Strutt (Stephen),2022-12-14 OUT OF THE BOTTOMLESS PIT II is a sequel to my first book OUT OF THE BOTTOMLESS PIT I about the paranormal and the supernatural I am sure that you have already noticed the vicious dragon on the front cover coming out of the Bottomless Pit along with locusts with scorpion tails and ferocious giants coming out of the Pit and attacking people taken from the Book of Revelation chapter 9 What will a transhuman technology do to our future Is it wise to create hybrids Could some of our tinkering in dark science end up coming to haunt mankind I have personally met the Men in Black many years ago and had many strange paranormal experiences in seeing UFO s on five different occasions Some of the experiences were not pleasant What are the Ley lines Why does science pretend to know so much when in fact they know very little because they deny so much Why Because they leave out the supernatural and the fact there are many other dimensions The Author **Out of the Bottomless Pit** S.N. Wigram, assisted by William Burgh.] L.P. ,1839 A Chronological Textbook Examination of the Book of Revelation** Stephen Buttafuoco,2010-03-30 The book of Revelation encompasses the past the present and future prophecy and it was God s

purpose to make it difficult for readers to understand and I believe there are very few theologians who interpreted the whole book of Revelation methodically and in chronological order of events that will occur. Here are some of the major events explored: the Biblical calendar, the starting period of Christian Church and the end time period of the Christian Church, the great tribulation, the time of the rapture of believers and the end of the world falling on the Day of Judgment. It is written in language that is frankly not understandable to most Bible readers. For that reason I have written this book to clear up the confusion that has dogged many readers. I also included chapters on the Science of Biblical Interpretation, the Interpretation of Numbers, the Kingdom of Satan and God's Program of Salvation. The Epistle of Jesus to the Church James D.

Quiggle, 2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described. Here one will not find an explanation of an anti-Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities. John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard. This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church, a word that is grounded in the Scriptures. The Epistle of Jesus to the Church has been written with teachers, students and pastors in mind. The interpretation of the book of Revelation is thorough; difficult passages are addressed and plausible answers are provided to the questions posed by in-depth study of the biblical book. This is a commentary for personal study or classroom instruction, one that may be confidently used to preach and teach the Revelation of Jesus to the church. The Great Tribulation! Richard L. Guthrie, 2014-12-12. The end times contain many exciting events we are all familiar with and think we fully understand: The appearance and domination of the Antichrist throughout the world, The rise and global domination of the Revised Roman Empire resulting in a One World Government, The Mark of the Beast that makes trade impossible anywhere on the Earth, The universal devastation wrecked by the Four Horsemen of the Apocalypse, The appearance of the spiritual harlot of Mystery Babylon and the end time false religion. However, consider the following: What if the Antichrist will not become the universal or worldwide leader? What if the Mark of the Beast is regional rather than global? What if there is no Revised Roman Empire? What if the Four Horsemen of the Apocalypse have already been loosed? What if Mystery Babylon could never be the Roman Catholic Church? Who did Jesus identify as the Mystery Babylon of Revelation? What if the Twelfth Imam, the Islamic Messiah, is slain in the rebuilt Jewish Temple? Why is it impossible to know the identity of the Antichrist until certain events unfold? Why are the dates of the Rapture and that of the Second Coming both unknowable? Who is left to enter into the Millennial Kingdom if there is a Post-Tribulational Rapture? Why are the identities of the two end time prophets unknowable? What country is poised to play a major role within these end time events? In a detailed and thorough analysis of Scripture, The Great Tribulation explores these and many more questions related to the end time events in a step-by-step approach. Using a literal interpretation of Scripture, this eschatological study is unsurpassed in detail.

for the knowledgeable Bible student and yet remains basic and straightforward for the novice **Revelation Revealed** Nick Peros, 2022-03-22 Revelation Revealed is a study of the book of Revelation It is not an end times book in that it does not seek to identify current events in the light of Bible prophecy rather Revelation Revealed examines the book of Revelation itself what are its key imagery and symbols What do they mean What are the timelines of the book What is the sequence of events What are the Days of Noah Who is the Beast and how do we understand him What is the mark of the Beast How do we understand Babylon the Great the Mother of Prostitutes Is there a rapture All of these questions and many more are addressed with all questions being approached exclusively from the standpoint of Scripture itself it is Scripture which answers these questions for us and clear conclusions are reached The events outlined in the book of Revelation are the most prophesied events in the Bible and Revelation Revealed shows that the book of Revelation is understandable for God has given us all that we need in order to understand it **Revelation of Jesus Christ** Grace Chung, 2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God s explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the

book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all **The Englishman's Greek**

Concordance of the New Testament George V. Wigram,1870 *Catholic Champion* ,1896 *The Traps That Satan Laid* Danica Ked,2017-09-29 Have you ever fallen into a trap laid by the devil The truth is that all of us have at some point fallen victim to the devils schemes so how can we better protect ourselves How can we recognise the temptations and deceit of Satan so that we can be prepared to ward off his advances and stand courageous and faithful with God The Traps that Satan Laid Overcoming the Devil and Other Demons with the Power of Jesus Christ will help you understand how to recognize some of the traps laid by Satan and it shows how one woman had fallen into his traps time after time againthat is until God personally rescued her and set her free Author Danica Ked shares her testimony so that the unfruitful deeds of darkness can be exposed to the light and she reveals how to use the name of Jesus to understand who the devil really is and how demons affect our mental health The Traps that Satan Laid also offers informative chapters on the Antichrist Satan the day of the Lord Revelation chapter 12 and the nature of sin Danicas true and personal testimony will open your eyes to the truthwhich is in Jesus Christ Join her on her journey of faith and strength so that you can see how a Christian can suffer at the devils hand yet be victorious thanks to Christ **COMMENTARY BOOK OF REVELATION** Andre Dellerba,2021-12-29 Extensive

Nativ,2006-09-29 The book s focus from which the title is derived is taken from Revelation 11 18 and opens with The Wrath of God continues with The Judgment of Mankind and closes with The Reward of the Saints A Jewish Biblical Scholar Nativ brings a unique often startling perspective to the Book of Revelation Basing his theories in Hebraic concepts not doctrine or dogma Nativ takes the reader on an exciting step by step journey through the Hebrew texts the original language of the Bible and through painstaking analysis breathes new life into the words of the Old Testament prophets the apostles and Jesus Take for example the word Armageddon Long interpreted as the ultimate battle between good and evil Nativ uses his extensive

Hebrew knowledge to show it is a place not a battle and introduces the ancient Hebrew concept of a place of refuge as proof Should Nativ be correct not only will he change the theology but dictionary definitions as well Equally startling is his discussion of Revelation Chapter Nine regarding the opening of the bottomless pit and the release of the awesome creatures within Nativ not only explains what they are their origins and their purpose but most surprising the creatures present location as they await the ending of the Age Perhaps most controversial of all is Nativ s answer to the long asked question regarding the identity of the Beast and the meaning of the number 666 Not only will the reader be dumbfounded by the simplicity of Nativ s answer but horrified by the proximity Nativ is not dogmatic He does not expect everyone to agree with his study s conclusions but instead challenges the reader to prove him biblically incorrect Neither prophet nor the recipient of a great revelation from God Nativ s only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities **Good Tidings Pertaining to the Earth and the Race as Disclosed in the Scriptures ,1871**
