Physical Science Practical Assessment 2014 Grade 12:

School Science Practical Work in Africa Umesh Ramnarain, 2020-06-01 School Science Practical Work in Africa presents the scope of research and practice of science practical work in African schools. It brings together prominent science educators and researchers from Africa to share their experience and findings on pedagogical innovations and research informed practices on school science practical work. The book highlights trends and patterns in the enactment and role of practical work across African countries. Practical work is regarded as intrinsic to science teaching and learning and the form of practical work that is strongly advocated is inquiry based learning which signals a definite paradigm shift from the traditional teacher dominated to a learner centered approach. The book provides empirical research on approaches to practical work, contextual factors in the enactment of practical work and professional development in teaching practical work. This book will be of great interest to academics, researchers and post graduate students in the fields of science education and educational policy.

Inquiry-Based Science in the Primary Classroom Garima Bansal, Umesh Ramnarain, 2023-06-20 The chapters in this book represent a cross section of research conducted in inquiry based science education at primary levels of schooling in international contexts that include school settings in Australia, India, Singapore, South Africa, Turkey, Northern Ireland and the United States. The book includes empirical studies on the role of inquiry based learning in advancing students' conceptual understanding and modelling proficiency, students' understandings about the nature of scientific inquiry, classroom studies on teachers' enactment of inquiry based learning, teachers' facilitation of classroom discourse for inquiry based learning and co-teaching in developing teachers in adopting an inquiry based pedagogy. It was originally published as a special issue of the journal Education 3:13.
