

Astronomy 101: Final Exam Guide

Spring 2009, San Diego State University, 2009.05.07, Prof. Leonard

As stated in the course syllabus (p. 5 in your Reader), the final examination in this course will take place at the following time and location:

Thursday, May 21 10:30 AM — 12:30 PM
Room PS-130 (normal lecture room).

Details about the content of the final exam are spelled out in this packet, but here are some highlights:

1. The final exam will consist of:

- 75 multiple choice questions (worth 75% of the exam grade).
- 1 **essay question** (worth 25% of the exam grade).

On page 6 of this handout you will find four potential final exam *essay* questions. *One of the four* questions will appear, in the exact form that it is written in this handout, on your final exam.

2. The final exam must be taken at the scheduled time, and no makeup (or early) exams will be given under any circumstances.
3. *The final examination is cumulative*, and will cover the entire course's content with roughly equal emphasis.
4. You will have the full 2 hours to work on the exam.
5. As with the midterm exams, you will again be permitted to bring an official "cheat sheet" to the final exam (to be detached from the last pages of the course Reader).

Exam Day

The exam procedure for the final is the same as it was for all of the midterm exams. Namely, when you arrive to class on the exam day, **please do not take a seat until told to do so**. Copies of the exam, with individual names on them, will be placed on all desks *before* you may sit down. Thus, before the room is set up, please wait outside the lecture room. Everything should be ready by the nominal start time for the exam.

Please bring the following to the exam:

1. A ParSCORE **FORM No. F-289-PAR-L** scantron form. These may be purchased at the campus bookstore and are pink in color. To save exam time, you may fill out parts of the form ahead of time. This includes:
 - (a) **Top of form:** The "Name" (Last, First, Middle), "Subject" (Astro 101), Date (May 21, 2009) and "Hour/Day" (T/Th 11:00 AM).
 - (b) **Right hand column of form:** Write and bubble in your RED-ID number in the spaces for "ID Number". *Leave the "Test Form" and "Exam Number" sections blank.* Do not write anything on Side 2 of the form.
2. A number 2 pencil and a good eraser! (Note that you may answer the essay question using a pen, if you prefer; the multiple choice questions must be answered in pencil, as usual.)
3. Your official "Exam cheat-sheet" (to be detached from the last pages of the course Reader), with your name at the top, and all the information you want handwritten inside the box.

Note that *no calculators will be permitted* during the exam, and you do not need to bring any extra paper on which to write your essay response (paper will be provided for you).
