California aviation is as extensive as the list of legendary figures who have contributed to its amazing history. While most of the military aircraft types no longer grace the airspace over California, many can be viewed in their former splendor as they stand as gate guards or museum exhibits. This booklet provides a comprehensive guide to where these restored aircraft can be found. Complementing the details concerning aircraft specifications and roles, the author has included many facts. Finally, the descriptions of the recovery, restoration, and preservation efforts stand as a tribute to the many volunteers who have devoted time, energy, and financial support to ensure this rich heritage is preserved.
