Understanding the Boundary between Disability Studies and Special Education through Consilience, Self-Study, and Radical Love David I. Hernández-Saca, Holly Pearson, Catherine Kramarczuk Voulgarides, 2022-12-13 In *Understanding the Boundary between Disability Studies and Special Education through Consilience Self Study and Radical Love* the authors explore what it means to engage in boundary work at the intersection of traditional special education systems and critical disability studies in education The book consists of fifteen groundbreaking accounts that challenge dominant medicalized discourses about what it means to exist within and around special education systems that create space for new conceptions of what it means to teach lead learn and exist within a conciliatory space driven by radical love and disability justice principles The book pushes readers to consider how their own personal professional and programmatic future transformational actions can be driven by disruption and the desire for freedom from the hegemony of traditional special education and White and Ability supremacy *Current Catalog* National Library of Medicine (U.S.), 1983 First multi year cumulation covers six years 1965 70 **Books in Print Supplement** ,1985 **Praxis II Elementary Education Content Knowledge (5018)** ,2021 *Subject Guide to Books in Print* ,1996 **The Populism-Euroscepticism Nexus** Juan Roch, 2023-12-19 This book explores the modes of European Union EU contestation which are mobilized by radical

parties and seeks to unearth the relationship of such contestation with populist discourses It looks specifically at how rightist and leftist parties articulate populist discourses with representations and problematizations of Europe and the EU by examining the left wing Podemos in Spain and the right wing Alternative f r Deutschland AfD in Germany It argues that radical parties also build their Euroscepticism on other hegemonic discourses and populism is only one possible discursive articulation to mobilize the contestation of the EU It examines whether populism discourses may serve or not as a stimulus for EU contestation and as such shows the implications that this may have for the persistence of Euroscepticism in Western European democracies This book will be of key interest to scholars and students of radical parties democracy democratic and political theory populism Euroscepticism discourse studies and more broadly to comparative politics and European studies
