

A Proposal to Ensure Accuracy in Presentence Investigation Reports

Over the last century, the American criminal justice system has been shaped by the penal theory that punishment should fit not only the crime but also the rehabilitative needs of the criminal.¹ Essential to this goal of individualized sentencing and correctional treatment is the availability of a wide range of information about a criminal defendant's background and characteristics.² The Presentence Investigation Report (PSI) is the primary source of such information for all stages of the correctional process. PSIs, however, often contain inaccurate information, which may lead to inappropriate and unfair judgments regarding an offender's sentence, custody conditions, or parole eligibility.³ Although Rule 32(c) of the Federal Rules of Criminal Procedure currently permits defendants to challenge the accuracy of information in their PSIs prior to sentencing,⁴ lower

1. See *Williams v. New York*, 337 U.S. 241, 247 (1949) (citing "prevalent modern philosophy of penology that the punishment should fit the offender and not merely the crime"); M. FRANKEL, *CRIMINAL SENTENCING* 97 (1972) ("[I]ndividualized rehabilitation is the paramount goal in sentencing."); Bergen, *The Sentencing Power in Criminal Cases*, *ALB. L. REV.*, Jan. 1949, at 1, 3 (noting modern attempt to fit treatment to the individual rather than punishment to the crime). In keeping with the rehabilitative model, judges have nearly unlimited discretion, within broad statutory limits, to impose appropriate sentences. See M. FRANKEL, *supra*, at 5-7, 82-85 (describing "wholly unchecked and sweeping powers" of sentencing judges); Cohen, *Sentencing, Probation, and the Rehabilitative Ideal: The View from *Mincey v. Rhay**, 47 *TEX. L. REV.* 1, 14-15 (1968) (citing common belief that rehabilitative goals "can be best obtained by the preservation of maximum discretion on the part of judicial and correctional authorities").

In recent years the rehabilitative model has come under increasing attack. Critics question the ability of the criminal justice system accurately to classify offenders and predict their future conduct, as promised by the rehabilitative theory. See, e.g., *AMERICAN FRIENDS SERVICE COMM., STRUGGLE FOR JUSTICE* 40-47 (1971) (theory based on "erroneous factual assumptions"); M. FRANKEL, *supra*, at 88-94 (criticizing "baseless assumption that we are able effectively to understand and uniquely to 'treat' the individual"). As a result, critics argue, the focus on individualized sentencing has led to gross sentencing disparities. See, e.g., 3 *STANDARDS FOR CRIMINAL JUSTICE* § 18-2.2, at 66 (2d ed. 1986) (rehabilitative model "comes at the cost of tolerating extensive sentencing disparities") [hereinafter cited as *STANDARDS*].

2. See *Williams v. New York*, 337 U.S. 241, 247 (1949) ("Highly relevant—if not essential—to [a judge's] selection of an appropriate sentence is the possession of the fullest information possible concerning the defendant's life and characteristics."); *Mincey v. United States*, 571 F.2d 179, 182 (3d Cir. 1978) (such data facilitates tailoring of sentence "to the circumstances of a particular defendant"); Schwelienbach, *Information as a Basis for the Imposition of Sentence*, *J. AM. JUDICATURE SOC'Y*, Aug. 1943, at 52 (author former United States District Court judge) (such information "only proper basis" for determining appropriate treatment); cf. 18 U.S.C. § 3577 (1978) ("No limitation shall be placed on the information concerning the background, character, and conduct of a person convicted of an offense which a court of the United States may receive and consider for the purpose of imposing an appropriate sentence.")

3. See *infra* note 23 (describing uses of PSI by correctional agencies).

4. Rule 32(c)(3)(A) provides in pertinent part:

Before imposing sentence the court shall upon request permit the defendant, or his counsel if he is so represented, to read the report of the presentence investigation . . . ; and the court shall afford the defendant or his counsel an opportunity to comment thereon and, at the discre-

The SAGE Guide to Writing in Criminal Justice Research Methods

Jennifer M. Allen, Steven Houglund, 2020-01-28 The SAGE Guide to Writing in Criminal Justice Research Methods equips students with transferable writing skills that can be applied across the field of criminal justice both academically and professionally. Authors Jennifer M. Allen and Steven Houglund interweave professional and applied writing, academic writing, and information literacy with the result being a stronger, more confident writer, researcher, and student in criminal justice. Focused on teaching students how to write in the academic setting while introducing them to a number of other writing tools specific to research methods such as writing literature reviews, abstracts, proposals, and more. The perfect companion for any criminal justice research methods course, this brief text focuses on key topics that will benefit students in their classes and in the field.

Introduction to Criminal Justice

Brian K. Payne, Willard M. Oliver, Nancy E. Marion, 2017-11-27 Very thorough text that makes great use of high profile cases to engage students and foster a passion for criminal justice. Patricia Ahmed, South Dakota State University. Introduction to Criminal Justice, Second Edition provides students with balanced, comprehensive, and up-to-date coverage of all aspects of the criminal justice system. Authors Brian K. Payne, Willard M. Oliver, and Nancy E. Marion cover criminal justice from a student-centered perspective by identifying the key issues confronting today's criminal justice professionals. Students are presented with objective, research-driven material through an accessible and concise writing style that makes the content easier to comprehend. By exploring criminal justice from a broad and balanced perspective, students will understand how decision-making is critical to the criminal justice process and their future careers. The fully updated Second Edition has been completely revised to include new studies and current examples that are relatable to today's students. Two new feature boxes have been added to this edition to help students comprehend and apply the content. You Have the Right to gives insight into several Constitutional amendments and their relationship with criminal justice today, and Politics and Criminal Justice explores current political hot topics surrounding the justice system and the debates that occur on both sides of the political aisle.

Criminal Justice

John R. Fuller, 2013 Criminal Justice: Mainstream and Crosscurrents uses a distinctive crosscurrents theme to teach students about the complexities of the criminal justice system and help them think critically about critical issues.

Introduction to Criminal Justice

Neil C. Chamelin, Vernon Brittain Fox, Paul M. Whisenand, 1975 This textbook is designed as an introduction to the backgrounds, philosophies, and interrelationships of the police, courts, and corrections. The three major sections follow the input-process-output model of a system. There is a general overview of the criminal justice system and the scope of the crime problem, a critical examination of historical perspectives, contemporary issues, the current state of the art, and the interrelationships of the police, law, the courts, and the correction-related elements of the criminal justice system. The section on the police subsystem discusses federal, state, and local policing, management, and support specialists and operational specialist and generalist components. The section on criminal law and the courts considers the historical perspectives of the system's moral considerations and law.

courts in the united states and the trial process A survey of constitutional principles is also presented The final section on corrections examines the development of corrections jails and detention probation parole and other release procedures correctional institutions and the institutional society community based corrections and the criminal justice system

United States of America V. Corbitt ,1988 **Predictive Sentencing** Jan W de Keijser,Julian V Roberts,Jesper Ryberg,2019-05-16 Predictive Sentencing addresses the role of risk assessment in contemporary sentencing practices Predictive sentencing has become so deeply ingrained in Western criminal justice decision making that despite early ethical discussions about selective incapacitation it currently attracts little critique Nor has it been subjected to a thorough normative and empirical scrutiny This is problematic since much current policy and practice concerning risk predictions is inconsistent with mainstream theories of punishment Moreover predictive sentencing exacerbates discrimination and disparity in sentencing Although structured risk assessments may have replaced gut feelings and have now been systematically implemented in Western justice systems the fundamental issues and questions that surround the use of risk assessment instruments at sentencing remain unresolved This volume critically evaluates these issues and will be of great interest to scholars of criminal justice and criminology *ABA Journal* ,1962-08 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
