Christine Tartaro,David Lester,2010-07-12 Police and corrections personnel must always be mindful of the possibility that those in their custody may attempt suicide or commit an act of self mutilation Persons housed in prisons jails and police lockups tend to be at a higher risk for such destructive behavior than members of the general population Reasons for this can be found by examining the mental health substance abuse and physical sexual abuse histories of inmates in addition to deficits in their coping skills and the stress and uncertainty generated by incarceration This book explores several topics pertaining to suicide and deliberate self harm in the corrections setting including who tends to commit these acts where when and how these incidents occur screening mechanisms the role of environmental stimuli in facilitating or preventing acts of self harm interpersonal relations among inmates and between inmates and staff and the role of the courts in setting and ruling on suicide prevention policies The authors discuss the role of prevention techniques that offer a balance between strict opportunity reduction and softer motivation reduction strategies The book also includes suggestions for diversion programs that can keep mentally ill inmates out of prisons and jails and transition planning programs to better prepare outgoing inmates for their re entry into the community *Crimes of the Powerful* Dawn Rothe,David Kauzlarich,2022-05-26 As politicians and the media perpetuate the stereotype of the common criminal crimes committed by the powerful remain for the most part invisible or are reframed as a bad decision or a rare mistake This is a topic that remains marginalized within the field of criminology and criminal justice yet crimes of the powerful cause more harm perpetuate more inequalities and result in more victimization than street crimes *Crimes of the Powerful White Collar Crime and Beyond* is the first textbook to bring together and show the symbiotic relationships between the related fields of state crime white collar crime corporate crime financial crime and organized crime and environmental crime Dawn L Rothe and David Kauzlarich introduce the many types of crimes their theoretical relevance and issues surrounding regulations and social controls for crimes of the powerful Themes covered include media culture and the Hollywoodization of crimes of the powerful theoretical understanding and the study of the crimes of the powerful typology of crimes of the powerful with examples and case studies victims of the crimes of the powerful the regulation and resistance of elite crime Fully updated and revised the new edition includes new chapters on occupational crime crimes against the environment and further coverage of representations of resistance to crimes of the powerful in popular culture An ideal introductory text for both undergraduate and postgraduate students taking modules on

the crimes of the powerful white collar crime state crime and green criminology this text includes chapter summaries activities and discussion questions and lists of additional resources including films websites regulatory agencies and additional readings

Canadian Journal of Psychiatry, 2000 *The Oxford Handbook of Prisons and Imprisonment* John D. Wooldredge, Paula Smith, 2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration

Fundamentals of Jail & Prison Administrative/Internal Investigations D. P. Lyons, 2015-04-02 The goal of this book is to provide correctional supervisors and others tasked with the responsibility of conducting internal investigations with the information and tools to become proficient and meet the state and federal court mandates and expectations of quality The procedures and tasks in this book serve as a proactive means of preventing correctional supervisors from being charged with failure to conduct a proper investigation and or being part of a cover up For correctional managers and others reviewing supervisory investigations this book provides the critical information that you should look for before approving and passing on such investigations This book is pursuant to correctional case law expert opinions of authorities in the field of corrections professional investigative agencies and this authors over thirty years of experience in conducting investigations in law enforcement and corrections

Public Violence in Canada, 1867-1982 Judy Torrance, 1988-05-01 Judy Torrance introduces the concept of public violence to denote acts widely considered to be violent and of importance to society Public violence differs from related concepts like political violence in explicitly recognizing that the subject matter is socially constructed

House of Commons,1918 **Ohio Law Bulletin** ,1912 *Crisis in Canada's Policing* John Sewell,2021-09-07 In the
summer of 2020 as the COVID 19 pandemic surged millions gathered across Canada and the United States to protest
violence and racism in policing sparked by the murder of George Floyd at the hands of Minneapolis police officers In the days
and weeks following the deaths of Regis Korchinski Paquet in Toronto and Chantel Moore in New Brunswick showed that
police violence is also a Canadian reality Although BIPOC communities and activists had been calling for action for years
these events sparked unprecedented public outrage and drew crowds in the thousands across Canada calling for the
defunding of Canada s police Many authoritative reports have identified big problems in Canada s law enforcement system
and have concluded that police are more likely to create or escalate violent situations than promote safety and security Why
How has an institution tasked with keeping citizens safe become so dangerous to so many Canadians John Sewell has been
studying the problems facing Canadian policing since the 1980s In *Crisis in Canada s Policing* he shines light on the origins
of police culture synthesizes dozens of reports that reveal the failures of the police system in Canada and offers solutions that
