

Teaching Professional Growth Plan: 2017/2018

Danielle Fischer – Grade 2

Goal One		Action Plan
Use data and assessment to inform further instruction and learning, and ensure that all units, activities, and assessments are meaningfully linked to outcomes.		<ul style="list-style-type: none"> • Create a focus outcome for each activity and assessment – linked to mark book • Create a timeline for the completion of each outcome – in Unit plans • Use data binders to track student progress in a way that is accessible to teachers, parents, and students – use Jackie as a resource
Timeline		
October	create data binders for math, decide on tracking system for ELA, explicitly link current the activities for Math units to their focus outcomes	
November	Math and Science data binders, Math and Science focus outcomes, use data collected in a meaningful way for reporting period I	
December	Math and Science data binders, Math and Science focus outcomes	
January	Math, Science, and Social data binders, Math Science, and Social focus outcomes	
Goal Two		Action Plan
Create a strong, and deep literacy block that explicitly reflects the districts literacy plan, while incorporating cross curricular opportunities.		<ul style="list-style-type: none"> • Use my team and their experience to develop and effectively use literacy resources • Focus on literacy when with Jenn – how can we go deeper and differentiate for all learners • Determine a means of tracking and assessing student progress that is meaningful
Timeline		
October	Continue with Daily 3 (read to self, someone, word work), introduce words their way and link to D5 and spelling city, Unit One Lucy Calkins, low group guided reading, do F4P assessments, meet with Jenn to discuss ELA tracking and assessment	
November	Continue with the activities from above, introduce Listening to Reading in D5, guided reading for all, use data to inform report cards	
December	Continue routine develop from Sept–Dec	
January	Begin new Lucy Calkins unit, reassess what else we need to do based on student data.	

•Revisit goals in January to determine course of action for the remainder of the year.

Differentiated Supervision Allan A. Glatthorn, 1984 Several years of research support a differentiated system of supervision in which teachers can choose from among four different supervision styles With the clinical style intense observation and feedback is conducted by a trained supervisor Cooperative professional development consists of small teams of peers working together for their mutual growth With self directed development the individual teacher assumes primary responsibility for his or her own growth Administrative monitoring is a process by which the administrator conducts brief drop in visits and conferences Although research indicates that the differentiated system is feasible and has a positive effect on those who participate it will not be effective in all schools or with all teachers An implementation process that has been found to be generally effective is presented but each school is encouraged to develop its own version of the system after teachers supervisors and administrators have had an opportunity to discuss ideas and their own needs FWR
