Science Scripture And Same Sex Love:

Science, Scripture, and Same-Sex Love Michael B. Regele, 2014-10-31 Some church leaders assert that same sex practices are incompatible with Christian teaching The issues threaten to divide our churches and our nation Michael B Regele explores current scientific findings in biological brain research psychology and sociology which he compares with scriptural teaching from the Bible to show that a faithful reading of the Scriptures is consistent with Christian teaching that affirms same sex love leading to same sex marriage and full participation of LGBT people in church leadership Regele offers compelling research and well supported answers to common place questions such as Is sexual orientation a choice that individuals make Is same sex attraction sinful in itself Is it true that lesbian gay bi sexual and transgender LGBT people are more promiscuous than heterosexual people Is it true that same sex relationships do not last as long as hetero sex relationships Is abstinence for life the only choice for a Christian LGBT person Or can they enter into intimate and sexual relationships and still be active participants in a Christian community Is same gender marriage acceptable from a Christian standpoint Holy Love Steve Harper, 2019-04-24 Do conservatives or progressives own the teachings about what the Bible says about human sexuality and marriage For some perhaps a vocal minority the question is no longer up for debate or discussion conservatives win For others the issues are not that simple A fresh rigorous but yet concise theological examination of the Bible s teachings is required There are other ways to interpret scripture faithfully with respect to sexuality other than the conservative interpretation In *Holy Love* Steve Harper strives to articulate the truth about the teachings of the Bible and Wesleyan tradition on human sexuality This very accessible book is intended for church leaders small groups and those interested in understanding the Bible s teaching on this fundamental component of human life experience and relationships The book will help church leaders and small groups make the constructive case that biblical Christian teaching is compatible with faithful covenantal love and intimacy amidst all sexual orientations **A Place at His Table** Joel Hollier, 2019-08-19 Across the world navigating the terrain of sexuality is becoming increasingly difficult People on all sides of the discussion agree that so much is at stake but how do we move forward Into a confusing and often painful debate *A Place at His Table* offers clarity insight and warmth Holding firmly to the Bible Joel Hollier leads us in a journey where we can re examine traditional understandings ask fresh questions and enter a place of welcome for all people in God s church Whether you are a leader pastor or congregation member who is seeking to love well this timely book will equip you to enter the discussion in faithful informed and nuanced ways **A Pastor's Highways on the Way to the New Jerusalem** Arthur Jarrell Tankersley, 2021-10-29 David Brooks wrote in *The Second Mountain* A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God s story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the

same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan's Christ's invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands

Quick to Listen Samuel Degner, Christopher Doerr, Nick Schmoller, Luke Thompson, 2018-01-01 Do you know how to talk to people with different beliefs than yours Throughout their faith journeys Christians encounter people with lifestyles outlooks and worldviews that test and even defy what they believe Many Christians don't know how to react to those encounters How do you have meaningful conversations that don't devolve into heated arguments with people who don't share your beliefs Your instincts might tell you to refute opposing viewpoints with clever arguments and witty retorts but those responses can push people away Even worse they don't clearly reflect the loving attitude of Jesus Quick to Listen is made up of open and honest conversations and interviews held by the authors with evolutionists atheists Bible skeptics and friends and members of the LGBTQ community When asked what it meant to have his story shared in this book one man replied It meant there's at least one Christian out there more interested in understanding me than lecturing me That's what Quick to Listen is all about It's a helpful tool to instruct you in listening and learning to talk with people who don't share your beliefs as a Christian It will equip you to acknowledge and understand their experiences and perspectives while also pointing you straight to the Bible to affirm and clarify your faith and beliefs It will help you build relationships based on genuine Christian compassion so you can share Jesus and his love with them

Religious Trauma, Queer Identities Joel Hollier, 2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatised and the task of creating safe faith spaces in which LGBTQ people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQ people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward

What Are Biblical Values? John Collins, 2019-08-06 An illuminating exploration of the Bible and many of our most contentious contemporary issues Many people today claim that their positions on various issues are grounded in biblical values and they use scriptural passages to support their claims But the Bible was written over the course of several hundred years and contains contradictory positions on many issues The Bible seldom provides simple answers it more often shows the complexity of moral problems Can we really speak of biblical values In this eye opening book one of the world's leading biblical scholars argues that when we read the Bible with care we are often surprised by what we

find Examining what the Bible actually says on a number of key themes John Collins covers a vast array of topics including the right to life gender the role of women the environment slavery and liberation violence and zeal and social justice With clarity and authority he invites us to dramatically reimagine the basis for biblical ethics in the world today

Homosexuality, Science, and the "Plain Sense" of Scripture David L. Balch, 2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion

The Fight for Marriage Phillip F. Cramer, William L. Harbison, 2018-03-26 For leaders in governments and in churches marriage equality is the most contentious civil rights dispute in the 21st century During an era where nearly half of all marriages end in divorce same gender couples now have the federal civil right to marry too At a time when 62 percent of Americans approve of same gender marriage according to June 2017 Pew Research churches are having to come to terms with whether to recognize and affirm these faithful partnerships as sacred covenants Attorneys Harbison and Cramer faithful and active members of a United Methodist congregation brought one of the cases to the US Supreme Court which resulted in the 2015 landmark decision that permits persons of the same gender to marry They bring a unique legal and cultural perspective to the controversy For the three couples Harbison and Cramer represented marriage is not an issue to be resolved Marriage is rather a sign for these couples of their faithful promise to love each other until they depart this life Each couple married for several reasons including their commitment to love and support one another to demonstrate their mutual commitment to their family friends and colleagues and to show others that they should be treated as a family They also married to make a legally binding mutual commitment to join their resources together in a legal unit and to be treated by others as a legal family unit rather than as legally unrelated individuals Finally each couple married so that they could access the legal responsibilities of marriage to protect themselves and their families just as heterosexual couples do Aleta A Trauger Federal Judge With a first hand account of the respectful courtroom drama concerning marriage in American communities and states Harbison and Cramer show why states care about marriage why the church got involved in marriage more than a thousand years after Jesus s earthly ministry and how the church and the state function in partnership to foster the purposes and social benefits of marriage From the Faultlines collection resources intended to inform conversations around human sexuality and the church

Science, Scripture, and Homosexuality Alice Ogden Bellis, Terry L. Hufford, 2011-01-01 The collaborative work of a biblical scholar and a biology professor Science Scripture and Homosexuality addresses scripture passages relating to homosexuality and explains the foundation of genetics and the growing evidence suggesting an organic basis for sexual orientation The authors argue that the role of the homosexual as well as the heterosexual within the Church should be based upon common criteria for all Written in a highly accessible manner the book is ideal for congregational discussion

Our Strangely Warmed Hearts Karen P. Oliveto, 2018-03-26 As John Wesley discovered his true spiritual identity he experienced a strangely warmed heart Through poignant stories and well reasoned principles Karen Oliveto

discloses why and how spiritual renewal and a personal call to ministry emerge in the strangely warmed hearts of lesbian and gay Christians In The United Methodist Church and other Christian denominations it is difficult or impossible for lesbian gay transsexual and bisexual clergy or laity to become a visible and outward channel for God s saving grace This book traces the history of the church s struggle with homosexuality highlighting critical incidents in the culture and church polity which shape the church s response The issues are deeply rooted in the way God s people understand scriptures which are interpreted as a means of grace for some and as a rule book for others This book includes first person narratives of LGBTQ persons faithfully serving in a denomination that denies their calls and in some cases their presence These stories will show how the coming out process is deeply spiritual as one grows into an authentic God created and graced self You are the one who created my innermost parts you knit me together while I was still in my mother s womb I give thanks to you that I was marvelously set apart Your works are wonderful I know that very well Psalm 139 13 14 CEB Our Strangely Warmed Hearts is a breath of fresh air in the study of the United Methodist struggle and intense debate regarding human sexuality Karen Oliveto lives in faithful witness and serves people with the heart of Christian leadership Bishop Hee Soo Jung Wisconsin Conference of the United Methodist Church Karen Oliveto offers a compelling window into the steadfast faith and the resilience of the LGBTQ Christian movement in the United States After offering an extraordinary history of the LGBTQ equality movement in our society and in The United Methodist Church she rightly asks Is there any other group that we would marginalize in this way I wholeheartedly recommend Karen Oliveto s new book to everyone who is affected by the debate over the sacred worth and place of LGBTQ people in our lives and churches This book inspires hope Michael J Adey Ph D Director Global Faith and Justice Project San Francisco Theological Seminary San Anselmo CA Bishop Oliveto s story mirrors the experience of many LGBTQ ministers who are serving the Body of Christ openly and not in the shadows The integrity courage and deep faith of God s LGBTQ people who are called into ministry have enriched the church and encouraged the outsiders who were always welcome at Jesus table Andy Lang Executive Director Open and Affirming Coalition United Church of Christ I loved it It drew me in immediately and kept me strapped in on what I knew would be a roller coaster of painful history sprinkled triumphs and then stories that broke my heart gave me cheer and brought tears to my eyes Bishop Oliveto takes readers on a fascinating trip through LGBTQ history and into the often contentious collision with mainstream religion and then brings it all together through the personal stories that make our past and present come alive I applaud Bishop Oliveto s book and will highly recommend it to the faithful and faith curious of all religions The Reverend Marian Edmonds Allen Executive Director Parity Bishop Karen Oliveto is sharing the love of Jesus and meeting people where they are no matter who they are and no matter what they think about her She loves them Kent Ingram senior pastor of First United Methodist Church in Colorado Springs Colorado

1 Corinthians B. J. Oropeza, 2017-10-27 This compact commentary on 1 Corinthians is both readable and full of insights that will engage students ministers and scholars

alike The Apostle Paul writes to a relatively new church in which members are failing to maintain solidarity with other members They struggle to find their unique place in Roman society as Gentile followers of Jewish leaders that proclaim Christ as Lord Their many problems include competition over leadership and social prestige sexual impropriety household conflicts idol foods table fellowship protocols on gender and the use of spiritual gifts and confusion about death immortality and Christ's return Oropeza addresses Paul's response to these and other issues as he engages ancient biblical Jewish and Greco Roman sources along with recent scholarship This is a must read for those who want to understand the Corinthian situation and Paul's response in a new way **God, Science, Sex, Gender** Patricia Beattie Jung, Aana Marie

Vigen, 2023-12-11 **God Sex Science Gender An Interdisciplinary Approach to Christian Ethics** is a timely wide ranging attempt to rescue dialogues on human sexuality sexual diversity and gender from insular exchanges based primarily on biblical scholarship and denominational ideology Too often dialogues on sexuality and gender devolve into the repetition of party lines and defensive postures without considering the interdisciplinary body of scholarly research on this complex subject This volume expands beyond the usual parameters opening the discussion to scholars in the humanities social sciences and natural sciences to foster the development of Christian sexual ethics for contemporary times Essays by prominent and emerging scholars in the fields of anthropology sociology psychology philosophy literary studies theology and ethics reveal how faith and reason can illuminate our understanding of human sexual and gender diversity Focusing on the intersection of theology and science and incorporating feminist theory **God Science Sex Gender** is a much needed call for Christian ethicists to map the origins and full range of human sexual experience and gender identity Essays delve into why human sexuality and gender can be so controversial in Christian contexts investigate the complexity of sexuality in humans and other species and reveal the implications of diversity for Christian moral theology Contributors are Joel Brown James Calcagno Francis J Catania Pamela L Caughie Robin Colburn Robert Di Vito Terry Grande Frank Fennell Anne E Figert Patricia Beattie Jung Fred Kniss John McCarthy Jon Nilson Stephen J Pope Susan A Ross Joan Roughgarden and Aana Marie Vigen Dignity, Dogmatism, and Same-Sex Relationships Gilbert Rossing, 2009-01-01 In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights **Dignity Dogmatism and Same Sex Relationships** provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual

couples provide the information counsel and encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community *LGBT Themes in Science Fiction, Fantasy and Horror* ,

Beyond Shame Matthias Roberts,2020-01-07 We all carry sexual shame Whether we grew up in the repressive purity culture of American Evangelical Christianity or not we ve all been taught in subtle and not so subtle ways that sex outside of very specific contexts is immoral and taboo Psychotherapist Matthias Roberts helps readers overcome their shame around sex by overcoming three unhealthy coping mechanisms we use to manage that shame Beyond Shame encourages each of us to determine our own definition of healthy sex while avoiding the ditches of boundaryless sex positivity on the one hand and strict moralistic boundaries on the other Define your sexual values on your own terms overcome your shame and start having great healthy sex

End of Story? Andrew Perriman,2019-11-12 This book is an exercise in a thoroughgoing narrative theology The social and legal validation of same sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture But it is not an isolated ethical problem It is just one element albeit a very important one in the much broader long term overhaul and reorientation of Western culture after the collapse of the Christian consensus The forces of history that are driving this transformation however have also alerted us to the historical perspectives that constrained biblical thought Andrew Perriman suggests that Paul s argument about same sex behavior perhaps more clearly than any other issue highlights the narrative shape of the mission of the early church in the Greek world By the same token we must ask how that storyline has been refracted across the boundary of modernity and how it now shapes the mission of the church as it adapts to its marginalized position in an aggressively secular world

Open Wide the Gates Brian D. Cunningham,2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn t have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation

Scripture, Ethics, and the Possibility of Same-Sex Relationships Karen R. Keen,2018-10-11 WHEN IT COMES TO SAME SEX RELATIONSHIPS this book by Karen Keen contains the most thoughtful balanced biblically grounded discussion you re likely to encounter anywhere With pastoral sensitivity and respect for biblical authority Keen breaks through current

stalemates in the debate surrounding faith and sexual identity The fresh evenhanded reevaluation of Scripture Christian tradition theology and science in Keen s Scripture Ethics and the Possibility of Same Sex Relationships will appeal to both traditionalist and progressive church leaders and parishioners students of ethics and biblical studies and gay and lesbian people who often feel painfully torn between faith and sexuality Homosexuality and the Christian Mark A. Yarhouse, PsyD, 2010-09-01 Mark Yarhouse gives honest and accurate answers to parents and pastors who have questions about homosexuality Throughout the book the author uses a new framework for understanding the issue carefully separating the concept of same sex attraction from a gay identity In a clear and compassionate style he explains the research regarding what causes same sex attraction and whether or not it can be overcome He also discusses what Christians can do when someone they know opens up to them about their homosexual attractions

This is likewise one of the factors by obtaining the soft documents of this **Science Scripture And Same Sex Love** by online. You might not require more times to spend to go to the book commencement as with ease as search for them. In some cases, you likewise accomplish not discover the broadcast Science Scripture And Same Sex Love that you are looking for. It will utterly squander the time.

However below, when you visit this web page, it will be correspondingly unquestionably simple to get as capably as download lead Science Scripture And Same Sex Love

It will not admit many era as we run by before. You can complete it even if proceed something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we present under as skillfully as evaluation **Science Scripture And Same Sex Love** what you subsequently to read!
