Play "What's the time Mr Wolf"

Play hop scotch

Chalk boxes on the patio and pop a numeral in each box. Ask the children to count objects in to the box until the quantity matches the numeral. Make a car park with numbered spaces on a piece of cardboard or in a box. Add numbered stickers to the tops of cars and ask the children to drive the cars in to the correct spaces in the car park. You could do the same with ponies, boats, safari animals and alter the set up to suit. Such as animal homes and pens.

Trace numbers in a sand or salt tray or paint with water on the patio or chalk board.

Go on a number hunt.

Personal, Social and Emotional

Play Bingo or number lotto. Turn take and work with others.

Teach the children to play Uno.

What numbers do you know? What numbers are important to you and why? Your age, house number, your brothers age, etc...

Show the children how we can use counting to calm ourselves down when we feel cross.

Go on a number hunt and work with friends to tick off all the numbers, 1 -10 on your sheet.

Communication and language

Count the steps as you go up the stairs.

Ask what number is one higher or one lower than.....

Sing number rhymes and finger rhymes with young children. Use their fingers to represent the numbers as you count.

Talk about numbers in the environment.

Set up a play shop and encourage the children to price up the items and talk to the customers about how much things cost. Look at the money needed to pay for each item. Make Price tags.

Numbers

BOOKS: Board books about numbers and counting.

Trace the number, write and wipe books.

Trace numbers in sand or a salt tray.

Make lift the flap number books for babies and young children using felt.

Older children could make their own number books and link numbers to things that are significant to them, such as their door number or age.

Set up a play shop and make price tags.

All of the activities

In this plan also fit in to this category. Count fingers and look at number bonds to 10, using fingers to help. Count everything you can. Raisins at snack time, steps, shoes as you put them on, buttons as you do them up..... Use number stacking puzzles and abacus's to count.

Set up a number rich environment and a number station for the children to explore. <http://womaseye-view.blogspot.co.uk/2015/11/exploring-our-number-station.html>

Print Playdough number mats from the internet and laminate them. Use them with playdough. Add number cutters and rolling pins.

Sing number rhymes and finger rhymes with young children. Use their fingers to represent the numbers as you count.

Make roads on sheets of paper, in the shape of numbers and let the children drive cars along the number shapes. Cut out the numeral for your age in card and decorate it.

Look for numbers in the environment. Price tags, house numbers, phone numbers, car registrations.

What is the significance of numbers in these situations? So we know how much to pay for an item. So the postman knows where to post the right letters.

Use a clock to help count from 1-12. Look at money and the value of coins and notes.

Use an online maths program or a similar program on a child's mobigo, phone app or similar.

Set up a treasure basket with number items in. Include digital timers.

The Complete Guide to Mergers and Acquisitions Timothy J. Galpin,2014-07-21 Ease the M A process with a more effective integration plan The Complete Guide to Mergers and Acquisitions is the ultimate handbook for planning and managing post merger integration Packed full of how to guidance tools templates and resources that have been put to the test on numerous due diligence and integration efforts around the world The Complete Guide to Mergers and Acquisitions has been the go to guide for firms seeking to maximize the value of their deals since the release of the first edition in 1999

Poor integration management virtually ensures that a merger or acquisition will fail to meet financial and strategic goals. The Complete Guide to Mergers and Acquisitions provides the information that enables firms to quickly and prudently capture projected cost and revenue synergies and to move the combined organization forward. The book addresses strategic deal considerations, due diligence, integration management, people dynamics, and cultural integration. It provides common integration mistakes, communications strategies, and provides actionable steps toward creating measurable positive results throughout the integration process. The updated third edition contains new information and tools to help firms in any industry manage deals of all sizes, including Results of The State of M A Integration Effectiveness Survey 2014. A new chapter on the M A process, deal stages, with an expanded Deal Flow Model. Findings of substantial M A research from various studies in multiple industries and organizations supporting the concepts presented throughout the book. New and revised tools and templates for due diligence, integration, and results measurement and reporting. New case examples of recent transactions. Highlighted Key Principles throughout each chapter. A summary of key points at the end of each chapter. Discussion questions addressing the key themes of each chapter. A rapid assessment diagnostic regarding the key elements of each chapter which can be completed for any organization. A revised chapter on taking your M A game to the next level. Essential requirements for building M A capabilities into a consistently successful enterprise competency. Merger and acquisition activity across the globe continues to grow and is also playing a major role in the development of expanding markets. A well managed integration effort is essential to success and failure means a tremendous waste in terms of time and money as well as the rapid destruction of shareholder value. The Complete Guide to Mergers and Acquisitions Process Tools to Support M A Integration at Every Level Third Edition is an invaluable resource to guide firms in managing M A integration and maximize the value of their deals.
