School-Based EFL Teacher Professional Development for Task-Based Language Teaching Jing

Yixuan,2024-08-22 This book investigates the efficacy of a teacher educator collaborating with rural Chinese teachers of English to activate agentic adoption of task based language teaching TBLT Set in rural northwestern China the book traces the researcher s role as a participant observer during which she conducted a 12 week immersive study in a rural secondary school The initial approach focused on understanding and trust building followed by the development of a collaborative partnership with teachers and results demonstrate that given appropriate guidance and assistance rural Chinese teachers successfully incorporated tasks into their classrooms to encourage increased motivation for learning and communicating in English This book will be of interest to students and scholars of applied linguistics language education and TESOL and the author demonstrates that true teacher educators are more effective as learning partners to teachers than simply a coach or lecturer

Pivotal Response Treatment for Autism Lynn K. Koegel,2025-04-25 First described as a distinct category in 1943 autism was officially categorized in the Diagnostic and Statistical Manual of Mental Disorders in 1980 Today the Centers for Disease Control and Prevention estimate that 1 in 36 children and 1 in 45 adults in the United States have autism spectrum disorder ASD For decades applied behavior analysis ABA interventions were the standard for ASD These sessions employed repetitive drill type practices to help patients manage interfering and disruptive behaviors that impeded learning However the children exposed to ABA often demonstrated a lack of enthusiasm and motivation Pivotal response treatment

PRT was developed to address this challenge integrating motivational elements into interventions to achieve better lasting outcomes Using clear accessible language and plentiful case examples Pivotal Response Treatment for Autism describes detailed practical therapeutic steps for assisting patients in areas that include Forming first words and word combinations Engaging willingly and meaningfully in academics Developing fulfilling social relationships throughout the lifespan Improving social communication skills This book emphasizes focusing on the strengths of the individual during assessment and treatment and recruiting parents to be active participants in implementing PRT Regardless of their familiarity with ASD readers will find actionable insights and naturalistic strategies in this guide that will help them provide immediate assistance to their patients and work collaboratively and effectively with families and other providers **3 Boys, 2 Dogs, 1 (Ex)**

Husband and Absolutely No Idea Elisabeth Mary,2022-10-31 I never thought when I met my husband at 18 got married at 25 had my third baby at 30 or even two years ago when I started writing this book that I would find myself in the position I am now a single mum to three boys two dogs with a now ex husband This is a brutally honest account of life since I weed on that stick Pregnancy haemorrhoids cabbage leaves mum mates tantrums holidays hormones sex dogs and divorce This is definitely not a guide to parenting but it may make you feel a little less alone on the journey **The Berlin Defence**

Unraveled Luis Bernal,2017-06-27 The Berlin Defence has been a highly popular opening in top level chess ever since Vladimir Kramnik famously used it in the 2000 World Championship match to wrest the title from Garry Kasparov Club players often hesitate to include the Berlin in their repertoire because they see the typical Berlin Wall endgame as complex and daunting International Master Luis Bernal has unraveled the Berlin and made it accessible for amateur players His practical guide is fully up to date explains typical formations and strategies and presents new ideas and resources in the old Berlin Wall structures But today the Berlin is much more than just the Wall Bernal systematically leads you through the labyrinth of the various modern Anti Berlins with their constant flow of new ideas He also presents a number of tricky sidelines that could catch your opponent off guard This no nonsense state of the art guide finally brings this important chess opening within reach of club players With clear explanations concise conclusions and didactic exercises **Creating**

Authentic Relationships with Parents of Young Children Carla Solvason,Johanna Cliffe,2022-09-28 Dealing with parents can be scary and intimidating especially when you are relatively new to your role but it can also be hugely rewarding What do you need to know Which barriers are you likely to face Most importantly how can you nurture a positive and authentic relationship with parents and carers where you genuinely work together for the best interests of the child Written by authors who have experienced being on both sides of the fence as educators and as parents this practical book takes a frank approach to recognising the turbulent world of parenting and shines a light on issues that are all too often dismissed It considers the pragmatic kind and caring ways that educational settings can support parents struggles as well as benefitting from their wide ranging knowledge and capabilities With activities and reflections included throughout the book invites the
