Perils Of Certain English Prisoners:

The Perils of Certain English Prisoners Wilkie Collins, Charles Dickens, 2023-12-01 A classic collaboration between two literary giants *The Perils of Certain English Prisoners* is a gripping adventure story filled with murder intrigue and strong female characters Following on from the success of *The Lazy Tour of Two Idle Apprentices* Hesperus presents another collaboration from close friends and literary giants Charles Dickens and Wilkie Collins Their legendary friendship resulted in a number of joint literary ventures in this case Collins wrote the second chapter under Dickens supervision Inspired by events of the Indian Mutiny in 1857 but wishing to distance himself from the context of India itself Dickens chose to set his novella in Central America This adventure story takes place on an island near the English colony of Belize where a silver mine is overrun by pirates who in turn murder a number of English colonists and take the remaining prisoner In the diverting narrative that follows the initiative of intrepid women prisoners enables the captives to escape *The Perils of Certain English Prisoners* Charles Dickens, 2019-11-26 In *The Perils of Certain English Prisoners* Charles Dickens presents a gripping tale set during the tumultuous backdrop of the 19th century British Empire This novella showcases Dickens signature blend of vivid description and social commentary weaving a narrative that addresses themes of justice morality and the human spirit under duress The story follows the misadventures of English prisoners on a remote island revealing both the absurdity and cruelty of colonial attitudes while employing a rich satirical style that adds layers of complexity to its seemingly straightforward plot Charles Dickens one of the foremost literary figures of his time was profoundly influenced by his experiences with the British judicial system and his advocacy for social reform His own encounters with poverty and injustice spurred his desire to illuminate the harsh realities faced by the marginalized making him a fierce critic of societal norms Dickens wrote this novella during a time when the British Empire was at its zenith reflecting his nuanced understanding of the complexities of human nature and systemic inequalities I highly recommend *The Perils of Certain English Prisoners* to readers seeking a thought provoking exploration of colonialism and personal resilience Dickens ability to blend humor with serious social critique not only entertains but also invites reflection on historical injustices that resonate in today's world

The Perils of Certain English Prisoners Charles Dickens, 2015-12-18 *The Perils of Certain English Prisoners* from Charles Dickens English novelist whose characters are among the most memorable in English literature 1812-1870 **The Perils of Certain English Prisoners (Annotated)** Charles Dickens, 2020-05-02 Differentiated book It has a historical context with research of the time *The Perils of Certain English Prisoners* by Charles Dickens This essay considers the subject of the contract as a metonymy for failed government in the Charles Dickens and Wilkie Collins collaborative Christmas story *The Perils of Certain English Prisoners* 1857 written to commemorate the Indian mutiny Drawing on critical studies by Myron Magnet Grace Moore and Lillian Nayder and reviewing relevant government contractual theories in political philosophy my analysis traces the proliferating tropes of contract in this unusual narrative and suggests that in addition to presenting a

topical satire on colonial bureaucracy Circumstantial these figures also codify Dickens's suspicions about the sustainability of liberal forms of colonial government While looking at additional contexts for the contract theme in *The Perils of Certain English Prisoners* My article goes on to suggest that by replacing socio contractual and constitutional identities with ties of chivalrous loyalty the text inadvertently anticipates major changes in the language of colonial rule in India in the post Mutiny period Charles Dickens Charles John Huffam Dickens FRSA February 7 1812 June 9 1870 was an English writer and social critic He created some of the world's best known fictional characters and is considered by many to be the best novelist of the Victorian era **The Perils of Certain English Prisoners (EasyRead Super Large 20pt Edition)** Charles Dickens,2020
