(1) serial number plate

Perkins engines are identified by a serial number. This number is shown on a serial number plate. The serial number plate is mounted above the fuel injection pump on the right-hand side of the engine block.

0_____ The first digit is a production code.

00001_____ Engine Serial Number

V_____ Year of Manufacture

Perkins dealers or Perkins distributors need all of these numbers in order to determine the components that were included with the engine. This information permits accurate identification of replacement part numbers.
