Que Le Jour Recommence:

Corneille and Racine Gordon Pocock, 1973-10-18 This study highlights that both Corneille and Racine were living writers struggling to create developing forms within the strait jacket of neo classical decorum Le temps dans la tragédie grecque Jacqueline de Romilly, 1995 Ce qui tait pens e th ologique chez Eschyle devient m ditation sur les grandes alternances du devenir chez Sophocle et aboutit chez Euripide l tude psychologique des motions **Getting Lost** Annie Ernaux, 2022-09-27 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE The diary of one of France s most important award winning writers during the year she had a passionate and secret love affair with a Russian diplomat Getting Lost is the diary Annie Ernaux kept during the year and a half she had a secret love affair with a younger married man a Russian diplomat Her novel Simple Passion was based on this affair but here her writing is immediate unfiltered In these diaries it is 1989 and Annie is divorced with two grown sons living outside of Paris and nearing fifty Her lover escapes the city to see her there and Ernaux seems to survive only in expectation of these encounters saying his desire for me is the only thing I can be sure of She cannot write she trudges distractedly through her various other commitments in the world she awaits his next call she lives only to feel desire and for the next rendezvous When he is gone and the desire has faded she feels that she is a step closer to death Lauded for her spare prose Ernaux here removes all artifice her writing pared down to its most naked and vulnerable Getting Lost is as strong a book as any that she has written a haunting desperate view of strong and successful woman who seduces a man only to lose herself in love and desire **The Puppet Show of Memory** Maurice Baring, 1922 The Puppet Show of Memory by Maurice Baring first published in 1922 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **Horace and Housman** R. Gaskin, 2013-12-05 The lyric poems of Horace and Housman are two enigmatic bodies of work that have much in common and a close reading of each poet s writings can illuminate the other s This is the first book to provide a detailed critical comparison between these two poets and also the first to make use of Housman s unpublished lectures on Horace Liberalism Under Siege Aurelian Crăiuțu, 2003-01-01 Liberalism under Siege The Political Thought of the French Doctrinaries is a compelling examination of the French Doctrinaries a largely neglected group of liberal thinkers in post revolutionary France who were proponents of a nuanced sociological and historical approach to political theory The first systematic interpretation of the French Doctrinaries political writings to appear in English Liberalism under Siege combines textual analysis and historical interpretation to explore the Doctrinaires ideas on the French Revolution democracy political power sovereignty of reason publicity capacity and representative government Aurelian Craiutu s detailed work is not only an

argument for the reappraisal of the Bourbon Restoration as a golden age of political thought it is also a passionate and persuasive addition to contemporary debates about the diversity of liberalism Oeuvres Jean Racine, 1838 *A coups de théâtre* Gillibert jean, 2012-12-01 Des réflexions philosophiques sur la scène par l'un de ses grands auteurs Jean Gillibert qui n'a cessé de se battre avec la réalité du théâtre pour la mieux servir En refusant la supposée vérité des dramaturgies rationnelles Gillibert visite Sénèque en bon Romain Claudel en bon Catholique Shakespeare dans sa fureur historique Racine la Révolution 89 L'auteur a pris la mesure dans un ouvrage franc et ample cette réalité changeante et dans le style qu'on lui connaît Romance & Tragedy Prosser Hall Frye, 1922 Théâtre de Jean Racine Jean Racine, 1880
