Quelque Chose En Lui De Bartleby:

Quelque chose en lui de Bartleby Philippe Delerm, 2010 www.antiaction.com est pris d'assaut Beaucoup de compliments qu'Arnold a d'abord trouvés outranciers mais on s'habitue vite Ces enthousiasmes sont souvent signés d'un prénom féminin accompagné d'une adresse e-mail mais M Spitzweg s'est promis de ne pas répondre Certaines correspondantes comprennent cette attitude Ne perdez pas votre temps Continuez seulement cueillir le meilleur des jours Cueillir le meilleur des jours pour des Stéphanie des Valérie des Sophie ou des Leïla voilà qui n'est pas sans flatter l'égo d'Arnold même s'il cueille davantage encore pour des Huguette ou des Denise Arnold Spitzweg crée son blog l'employé de bureau discret jusqu'à l'effacement de la modernité mais sans renier ses principes Sur la toile contre courant du discours ambiant il fait l'loge de la lenteur Ses écrits intimes séduisent des milliers d'internautes Comment vivra-t-il cette subite notoriété

L'écriture du bonheur dans le roman contemporain Ruth Amar, 2011-01-18 Through the ages the pursuit of Happiness has been at the heart of the needs and desires each individual would seek to fulfill while as a concept Happiness has always resonated strongly in poetic as well as philosophical sociological and psychological contexts But what about Happiness today in a world dominated by technology driven by productivity and dictated by efficiency Does Happiness still feature in contemporary fiction in any significant way Or has it perhaps gone underground adopting different guises Would we still call that duty of happiness that Pascal Bruckner saw as present at the second half of the twentieth century a relevant force today Or has it waned perceptibly The articles brought together in this volume seek to work out answers to these and similar questions creatively addressing the imminent risks but also eagerly following up the intriguing possibilities one encounters when interrogating Happiness in the contemporary novel Originally based on an international conference organized at the University of Haifa Israel in May 2010 the volume is structured around the axes we found useful as a basis for the various approaches towards Happiness in Europe and the historical and social events that influenced the writing of Happiness as they defined the 20th century and have impacted on the 21st the Holocaust the Soviet dystopia consumerism postmodernism everyday life the various as yet unarticulated new modes of life they have given rise to and so on A new writing of happiness then At the very least this volume targets the contemporary novel without wanting to solidify works instead taking into account the fluctuations Happiness has been subjected to and the diversity and especially the paradoxes it has created while we have been keen to preserve a precise reading of the texts and have felt compelled to respect and preserve the particular features that make the writings of the authors we focus on stand out

Thème philosophique aussi bien que poétique sociologique et psychologique le bonheur défie la mesure de chacun N'est-il pas vrai que nous autres hommes nous désirons tous être heureux Platon Or dans notre monde actuel dominé par la technique la recherche outrance du productif et de l'efficacité qu'en est-il du bonheur Est-il encore présent aux critiques romanesques contemporaines Sous quelles formes se présenterait sa recherche Ce devoir de bonheur propre à la deuxième moitié du XXe siècle dont parle Pascal Bruckner continue-t-il toujours d'actualité S'est-il renforcé

ou au contraire s'est-il affaibli Le projet d'un questionnement du bonheur dans le roman contemporain comportait de gros risques mais il offrait en même temps des possibilités stimulantes A la suite du colloque international organisé à l'université de Haifa en mai 2010 les textes réunis dans ce livre cherchent à laborer des éléments de réponse à ces questions Le volume offre un état des lieux du bonheur dans le roman depuis 1980 et présente une large diversité d'approches de définitions d'interrogations sur la critique du bonheur sur trois décennies Le recueil s'articule autour d'axes qui ont servi de base aux différentes approches du bonheur en Europe et d'événements historiques et sociaux qui ont pu influencer la critique du bonheur aux différentes périodes du XXe et XXIe siècles telles que l'Holocauste la dystopie en Russie le postmodernisme et le consumérisme le quotidien les différents paradoxes du bonheur les nouveaux modes de vie Nouvelle critique du bonheur Du moins ce volume vise-t-il le contemporain sans figer les œuvres tout en tenant compte des fluctuations du sujet de sa diversité de ses paradoxes surtout tout en conservant la lecture précise des textes et en respectant la particularité de la critique des auteurs traités

Urban Walking - The Flâneur as an Icon of Metropolitan Culture in Literature and Film Isabel Vila-Cabanes, 2020 The volume assembles fresh treatments on the flâneur in literature film and culture from a variety of angles Its individual contributions cover established as well as previously unnoticed textual and filmic source materials in a historical perspective ranging from the late nineteenth to the early twenty-first century The range of topics covered demonstrates the ongoing productivity of flânerie as a viable paradigm for the artistic approach to urban culture and the continuing suitability of flânerie as an analytic category for the scholarly examination of urban representation in the arts This productiveness also extends to the questioning re-evaluation and enhancement of flânerie's theoretical foundations as they were laid down by Walter Benjamin and others The work will be particularly relevant for students and scholars of literary studies film studies and gender studies as well as for theoretical approaches to flânerie as an important aspect of urban culture

Cioran ou les vestiges du sacré dans l'écriture Sara Danièle Bélanger-Michaud, 2013-05-23T00:00:00-04:00 Les institutions et en premier lieu l'église ont exprimé et se vivaient l'expérience du sacré se sont peu à peu effrités Mais le sacré borde le cadre des institutions et il en reste des vestiges entre autres dans la littérature C'est dans l'œuvre de Cioran que Sara Danièle Bélanger-Michaud les a cherchés Emil Michel Cioran 1911-1995 est un philosophe et essayiste d'origine roumaine qui a vécu en France à partir de 1937 Il est principalement connu pour ses aphorismes et pour son recueil *De l'inconvénient d'être né* paru en 1973 Dans son essai l'auteure présente son œuvre comme une manifestation de la quête du sacré et une nouvelle manière de l'habiter Elle écrit Qu'il soit question de sa quête spirituelle ou de son ratage spirituel de ses rencontres avec l'absolu de ses expériences d'extase de son obsession pour le doute ou encore de sa nature religieuse rebours c'est toujours en même temps du sacré dont il est question

Penser pour rien Nathalie Barberger, 2007-12-06 On pourrait aisément imaginer un Traité du savoir penser comme il existe des Traités de savoir vivre L'auteur de ce livre a choisi d'explorer les mauvaises manières de la pensée que la littérature génère avec une accablante précision penser des riens penser sans produire de pensées pensées qui s'affolent de la multiplicité des possibles et qui butent sur

des contradictions insurmontables et même mauvaises pensées que l'écritain s'acharne à penser cependant Au philosophe qui enchaîne des idées claires en une démonstration efficace ce livre substitue entre rire et pathologie un portrait de l'écritain en monomane titubant hanté par l'incorrigible manie de penser Nathalie Barberger est maîtresse de conférences en littérature française à l'Université de Lille 3 Elle est notamment l'auteur de Michel Leiris l'écriture du deuil et Le Rêve de traviole publiés aux Presses Universitaires du Septentrion
