Quick Bites For Spare Moments English Edition:

Quick Bites for Spare Moments R.K MURTHI,2015-06-01 Quick Bites is a collection of middles published in major newspapers and magazines What is it that makes the middle stand apart The middle is short hardly ever more than 600 to 800 words It draws strength from humour that skips and romps with the deftness of a mountain goat It thus turns into a sort of mirror at times concave at times convex never does it remain a plain mirror and manages to see what lies behind the even contours that people events or encounters present The 120 odd middles in this collection were written over a period of about forty years They have enough power to evoke laughter at every turn All of them are distinctly individualistic and are powered by what one may say the ability to tickle the funny bone *Now You See It* Allison Lynn,2004-07-26 David and Jessica have almost everything they could want he is an accomplished journalist she teaches at an elite private school and they travel in a circle of alluring friends Theirs is an enviable life until one night when David returns from a business trip Jessica s wallet and keys are in their usual place but she is gone As months pass without her David s certainty that she is going to walk in that door tonight slowly diminishes At the heart of this unnerving story is David s search for his wife which takes him far from his Manhattan neighborhood and deep inside himself At once heartbreaking and wry *Now You See It* is a remarkable debut novel about the impossibility of fully knowing someone and what happens to the past when we have a second chance at the future *Now You See It* presages a thrilling career for a fresh and gifted author **The Book Review** ,2006 *Everybody's Magazine* ,1921 *A Jewish Girl in Paris* Melanie Levensohn,2022-08-04 Inspired by true events and set against the backdrop of the Second World War Melanie Levensohn s *A Jewish Girl in Paris* is a powerful novel about forbidden love This beautiful heart wrenching novel examines the harsh realities while remaining hopeful and celebrating resilience and love Adele Parks author of *Lies Lies Lies* in *Platinum Magazine* Paris 1940 a city under German occupation A young Jewish girl Judith meets a young man the son of a wealthy banker and Nazi sympathizer his family will never approve of the girl he has fallen in love with As the Germans impose more and more restrictions on Jewish Parisians the couple secretly plan to flee the country But before they can make their escape Judith disappears Montr al 1982 Shortly before his death Lica Grunberg confesses to his daughter that she has an older half sister Judith Lica escaped the Nazis but lost all contact with his first born daughter His daughter promises to find the sister she never knew The search languishes for years until Jacobina is spurred on by her young friend B atrice Soon the two women discover a dark family secret stretching over two continents and six decades that will change their lives forever Adapted from a translation by Jamie Lee Searle *A Jewish Girl in Paris* is a historical novel for fans of *The Tattooist of Auschwitz* In this vivid affecting novel of intertwined destinies and the enduring power of love against the bleakest odds Levensohn weaves a tale saturated with historical accuracy and yet surprisingly intimate Paula McLain author of *The Paris Wife* and *When the Stars Go Dark* **The Country Gentleman** ,1918
