

Editing and Proofreading

DIRECTIONS: Circle the mistakes.

Of al the different household chores, I dislike laundry the most! I don't mind puting the laundry in the washing machine or pulling wet laundry out of the washer and heaving it into the drier. Its folding and hanging and putting away all the Laundry that I can't stand, so I tend to not do it. Then I end up with heaps of clean dry wrinkled laundry on various pieces of furniture. I wish I had a made to do this for me?

How many mistakes did you find? _____

Rewrite the text below, correcting the errors.

and finishing Chapters in the book are 1 A Look at Some Revised Pieces 2 Revision as a Natural Process 3 Learning to Revise by Editing Other People's Writing 4 Learning to Revise by Using Other People's Comments on Your Writing 5 Going Deeper by Adding 6 Changing Media for Deep Revision 7 Deep Revision and Fiction 8 Revising Nonfiction with Techniques of Fiction 9 Revising as a Response to Literature 10 Beginning and Polishing and 11 Structuring the Longer Work Examples from literature a 19 item annotated bibliography and an index of authors is attached RS

Strengthen Your Students' Essays with Editing, Proofreading and Revision (Grades 6-12) Mary Ellen Ledbetter, 2023-03-23 All too often the words revising editing and proofreading have become synonymous terms for our students For those who even attempt to tackle one of the steps assigned by their teacher the exercise becomes nothing more than checking for spelling and if we're lucky for glaring run on and fragment errors as well The good news is that it's not because young writers refuse to go through the process rather it is because they don't understand what is involved in each stage This book clearly defines the terminology as well as provides teachers with strategies that give students the opportunity to practice each tier of the scaffolding process inherent in producing exemplary papers Once young writers experiment with these techniques using specially designed skills sheets to engage them in the many methods of revision they can then apply them to their own writing Revision as we know being the most difficult is an undertaking students would rather skip entirely since it could involve a total restructuring of their papers However when the rough draft writing is done in chunks the revision process is less intimidating Writers are not actually dealing with their papers as a whole re-seeing the big picture they are taking a step back to examine pieces of their work with the help of whole class partner or individual techniques Editing too will no longer be a mystery Dozens of writing samples provide the practice students need in order to synthesize and apply the methods to their own works in progress The proofreading section includes easy to implement lessons for every area of grammar mechanics so that students have a quick outlined reference at every stage This section of the book comprises an entire grammar unit complete with a comprehensive review The book also includes essays with questions specifically planned to develop student skills in each area that are essential in transforming their formative rough drafts into the final stages ready for summative evaluation Teachers will be armed with specific techniques student friendly fun to use practice assignments and examples of the effects these processes can have on producing quality papers

Queue Editing and Revising AA Kristina M. Elias-Staron, 2018-11-19 Each book in this series of Editing and Revising workbooks is given a letter designation to accommodate students working below or above grade level Students are required to read passages embedded with errors of grammar usage mechanics content and organization They are then given multiple choice questions designed to help them recognize and correct these mistakes These exercises will help students to better understand the essential skills of finding and correcting editorial problems and revising writing appropriately Students will soon be on their way to becoming more knowledgeable about these two very important steps in the writing process Hours of practice on skills leading to editing and revising mastery High interest

passages embedded with most the common errors of grammar usage mechanics content and organization Multiple choice questions after each passage help students find recognize and correct mistakes Teacher Editions provide correct answers and identify the skill targeted in each question **Revising and Editing Strategies in a Writer's Workshop** Teri L. Schroeder,2005 *Revising and Editing Your Own Writing* Jo Ryan,2004-01 Proof reading Common errors and weaknesses Common intervention Perfecting your writing **Revising and Editing One** Patrick Sebranek,Christian R.
