Summary of Derrick Kinney's Good Money Revolution Everest Media,2022-03-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I realized that the more I gave back to my local community

the more people wanted to work with me I felt like I was part of something bigger than myself 2 Connecting your money to a cause movement or purpose will make you feel fulfilled and help you make a difference in the world 3 Money does make you happy but only up to a point After that more money doesn't lead to greater happiness This is known as income satiation and it typically occurs at an annual income of less than 100 000 4 The cycle of more money equals more happiness is false Once you earn about 75 000 a year more money doesn't make you any happier Other studies have similar results

The Revolution Will Be Bloody Stasha Washburn, 2020 What if your menstrual cycle was a map for living in flow The greatest trick the patriarchy ever pulled was separating women from their cycles It pitted us against each other and ourselves turning one of our greatest power sources into something gross and unclean a curse to be ashamed of As a result we've forgotten that our energy levels naturally wax and wane each month Instead we live our lives constantly pushing striving and doing ending up burnt out and disempowered And 90% of us will have a hormonal imbalance This book proposes a revolutionary alternative one of honoring your natural cycle and planning your life and business in flow with it As you journey through these pages you'll learn how to live eat and work in beautiful alignment with your individual flow It's time to reconnect with the power in your period Are you ready to join the revolution
