

Use & Care Manual

With Installation Instructions for the Installer

Electric Residential

Water Heaters

Single and Double Element Models,
Residential 20–120 Gallon

Model: HE Series, GE Series, PE Series, SE Series

The purpose of this manual is twofold: one, for the contractor, to provide the installer with basic directions and recommendations for the proper installation and adjustment of the water heater; and two, for the owner-operator, to explain the features, operation, safety precautions, maintenance and trouble shooting of the water heater. This manual includes a parts list.

It is imperative that all persons who are expected to install, operate or adjust this water heater read the instructions carefully so that they may understand how to perform these operations. If you do not understand these instructions or any terms within it, seek professional advice.

Any questions regarding the operation, maintenance, service or warranty of this water heater should be directed to the seller from whom it was purchased. If additional information is required, refer to the section "If You Need Service...."

Do not destroy this manual. Please read carefully and keep in a safe place for future reference.
