

The background of the image is a solid green color with a large, stylized, dark green outline of a football (soccer ball) pattern. The pattern consists of several curved, overlapping shapes that form the panels of the ball, with small dark green crosses at the intersections.

Some people would say that Football is just a game,
Others say life and football are the same.
That it is more than just making calls,
And throwing a funny shaped ball,
Some say its about the intensity and passion
above all,
Its a feeling they get on the field after they win a game.
It does not matter if it rains or snows,
They will be out there,
Because football is all they know,
So if you ask them is football just a game?
They will answer that quick and without any shame!
