Richard Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.

Richard Wright Michel Fabre, 1990 This bibliography of Richard Wright's library and reading serves as a key to understanding the development, philosophies, and aesthetics of this great writer and provides accurate information for the study of intertextuality in his works. Richard Wright, born in Mississippi in 1908, was largely self-taught. His only formal schooling was high school. As he recounts in *Black Boy*, he used a white friend's library card at the Memphis Public Library where blacks were not allowed. That books were almost living companions for Wright is easily understandable. Through books and later through relationships with writers, he broadened his perspectives, his understanding of society, and the very craft of writing. In the history of Richard Wright, perhaps more than with other writers, a knowledge of what he actually read and of what authors he preferred is essential in explaining his intellectual development. Michel Fabre, Wright's biographer and foremost Wright scholar, details the volumes in Wright's library and the facts of Wright's reading habits. This listing of books that formed and influenced him includes second-hand books he bought while living in extreme poverty in Chicago, some borrowed books never returned, books purchased in New York and Paris, books Wright deemed required reading for a growing novelist, gift books, and others in a comprehensive list on such subjects as contemporary American literature, classic European works, criminology, psychiatry, and social sciences. In compiling this listing, Fabre goes beyond the actual contents of Wright's library for he includes also titles drawn from references in Wright's works and from accounts of people who knew him and his reading habits. Included also is an appendix that collects for the first time reviews written by Wright, his prefaces, forewords, and blurbs. They show his appreciation of diverse genres and styles, although his ideological commitment remained the same. In them, one sees Wright as an author ready to help younger writers, black and white, American and French.

Richard Wright in Context Michael Nowlin, 2021-07-22 Richard Wright was one of the most influential and complex African American writers of the twentieth century. Best known as the trailblazing bestselling author of *Native Son* and *Black Boy*, he established himself as an experimental literary intellectual in France who creatively drew on some of the leading ideas of his time: Marxism, existentialism, psychoanalysis, and postcolonialism to explore the sources and meaning of racism both in the United States

and worldwide Richard Wright in Context gathers thirty three new essays by leading scholars relating Wright's writings to biographical regional social literary and intellectual contexts essential to understanding them It explores the places that shaped his life and enabled his literary destiny the social and cultural contexts he both observed and immersed himself in and the literary and intellectual contexts that made him one the most famous Black writers in the world at mid century *The World of Richard Wright* Fabre, Michel, 1985 Wide ranging essays in which Wright's biographer probes the career ideology complex life and achievements of America's premier black writer A major contribution to Wright studies Kenneth Kinnamon Full of insights into cultural history and radical politics race relations and literary connections sets a high standard for scholarship to come Werner Sollors

Richard Wright's Travel Writings Virginia Whatley Smith, 2012-01-31 Attracted to remote lands by his interest in the postcolonial struggle Richard Wright 1908-1960 became one of the few African Americans of his time to engage in travel writing He went to emerging nations not as a sightseer but as a student of their cultures learning the politics and the processes of social transformation When Wright fled from the United States in 1946 to live as an expatriate in Paris he was exposed to intellectual thoughts and challenges that transcended his social and political education in America Three events broadened his world view his introduction to French existentialism the rise of the Pan Africanist movement to decolonize Africa and Indonesia's declaration of independence from colonial rule in 1945 During the 1950s as he traveled to emerging nations his encounters produced four travel narratives *Black Power* 1953 *The Color Curtain* 1956 *Pagan Spain* 1956 and *White Man Listen* 1957 Upon his death in 1960 he left behind an unfinished book on French West Africa which exists only in notes outlines and a draft Written by multinational scholars this collection of essays exploring Wright's travel writings shows how in his hands the genre of travel writing resisted adapted or modified the forms and formats practiced by white authors Enhanced by nine photographs taken by Wright during his travels the essays focus on each of Wright's four separate narratives as well as upon his unfinished book and reveal how Wright drew on such non Western influences as the African American slave narrative and Asian literature of protest and resistance The essays critique Wright's representation of customs and people and employ a broad range of interpretive modes including the theories of formalism feminism and postmodernism among others Wright's travel books are proved here to be innovative narratives that laid down the roots of such later genres as postcolonial literature contemporary travel writing and resistance literature Virginia Whatley Smith is an associate professor of English at the University of Alabama Birmingham Her work has appeared in *African American Review* *Mississippi Quarterly* and *MLA Approaches to Teaching Wright's Native Son*

Student Companion to Richard Wright Robert Felgar, 2000-05-30 Born in rural Mississippi the grandson of slaves Richard Wright overcame every social obstacle including poverty racism and limited education to achieve literary recognition as the creator of some of America's most powerful Black literature Written with unprecedented candor Wright's works changed the cultural landscape by challenging old stereotypes and myths about race Wright scholar Robert Felgar has written a critical

volume to help students appreciate the literary significance of such groundbreaking works as *Native Son* and the autobiographical *Black Boy*. This study serves students of both literature and social history as it explores the themes of racism and all types of institutionalized oppression that Wright exposed in his provocative writing. Felgar approaches each of Wright's major works in chronological order offering insightful literary analysis of *Uncle Tom's Children*, *Native Son*, *Black Boy*, and *The Outsider* as well as Wright's two works published posthumously: *Eight Men*, a collection of stories, and *Lawd Today*. The original censored works are discussed and compared with the more recently republished unexpurgated versions. This Student Companion introduces readers to Richard Wright with a biographical chapter recounting the writer's struggles and achievements. A literary heritage chapter examines the genres, themes, and stylistic traditions that figured in Wright's work. Each of Wright's major works of fiction is given careful literary interpretation with analysis of plot, character development, thematic concerns, and a close alternate reading. A selective bibliography of critical works and reviews, in addition to the listings of Wright's stories, essays, and full-length works, will help students derive the most from their study of this important American writer.

Richard Wright Toru Kiuchi, Yoshinobu Hakutani, 2014-01-07 In this minutely detailed comprehensive chronology Toru Kiuchi and Yoshinobu Hakutani document the life in letters of the greatest African American writer of the twentieth century. The author of *Black Boy* and *Native Son* among other works Wright wrote unflinchingly about the black experience in the United States where his books still influence discussions of race and social justice. Entries are documented by Wright's journals, articles, and other works published and unpublished as well as his letters to and from friends, associates, writers, and public figures. Part One covers Wright's life through the year 1946, the period in which he published his best known work. Part Two covers the final fifteen years of his life in exile, a prolific period in which he wrote two novels, four works of nonfiction, and four thousand haiku. Each part begins with a historical and critical introduction.

Richard Wright's Black Boy Harold Bloom, 2006 One of America's great African American writers Richard Wright achieved critical and popular acclaim with the publication of *Native Son*, a novel, and *Black Boy*, an autobiography. Blurring the boundaries between fact and fiction, *Black Boy* vividly depicts Wright's journey from a child growing up in the South during the time of Jim Crow segregation laws through his creative and imaginative development as a writer and intellectual. *Black Boy* is both a unique autobiography and a racial discourse chronicling Wright's continual fight against prejudice and racism as well as his quest for self-liberation. Against significant odds Wright became America's first best-selling black author, and *Black Boy* became an American classic. Its enduring story documents what it means to be a black man, a southerner, and a writer in the United States.

Book jacket *Richard Wright* Hazel Rowley, 2008-02-15 Skillfully interweaving quotations from Wright's writings Rowley portrays a man who transcended the times in which he lived and sought to reconcile opposing cultures in his work. In this lively, finely crafted narrative Wright, passionate, complex, courageous, and flawed, comes vibrantly to life. Two 8-page photo inserts.
