Pasta Recipes The art of the best Italian food, with wonderful recipes, 2024-02-18 Pasta making is at its most basic an act of humility It's repetitive precise manual labor a simple gift to the gods of gluten offered up in flour dusted basements and prep kitchens around the world It is ceremonious only in its utter lack of ceremony What has always appealed to me is how the frank marriage of two ingredients whether flour and water or flour and eggs splinters into hundreds of variations of stuffed rolled extruded dried stamped and hand cut shapes how each has its own origin story rhythmic set of motions and tools and how mastery can sometimes come down to an elusive sleight of hand the flick of a wrist the perfect twist of the index finger away from the thumb Movements learned only through practice In the two years between leaving A Voce in Manhattan and opening my first restaurant Lilia in Brooklyn I spent most of my days at home learning for the first time since I was a kid what it meant to cook not for accolades or recognition but for comfort There was no Michelin No New York Times No owners No need to prove that a Jewish kid from Connecticut with no Italian heritage had any business cooking Italian food No longer were my thoughts Is this nice enough or Is this cool enough but rather What kind of food do I want to eat or What food do I want to cook and most importantly Why I was cooking pasta that paid homage to Italy's iconic regional dishes sure but the virtue of craveability was paramount It's why my food at Lilia and my second restaurant Misi is so rooted in home cooking and it's perhaps the only way to explain how a dish as simple as rigatoni with red sauce ended up on Lilia's opening menu and then once again at Misi I wanted to serve the food that I like to eat the food I'd always been cooking just stripped down to the studs and rebuilt with a simple mantra in mind quanto basta In Italian cookbooks quanto basta is typically represented as q b It translates to as much as is necessary and it appears when an ingredient is listed without an exact quantity It's essentially the Italian version of salt to taste but it has come to symbolize a shift in focus for me one that places simplicity and comfort first and always makes me ask Is this really necessary It took me decades to get here This book is meant as a ride along from red sauce to regional classics to the pastas I've made my own At its core is a journey back to the home regions of some of my favorite pastas in an

effort to understand them with new clarity to gain a deeper knowledge of not only how they are faring in a country undergoing constant culinary evolution but also of their sense of place Perhaps more than anything though this book is my love letter to pasta What has made pasta the cornerstone of Italian culinary culture for centuries an indelible part of so many Americans early food memories and a food so eminently alluring that even the gluten averse cannot resist its siren song is that it asks first and foremost something elemental of us that we enjoy it **Italian Food Made Easy**, 2007 Watch it Every recipe has a step by step video so you can see exactly what you re going to make and exactly how you re going to make it Do It After watching the video use the step by step book to make the recipes in your kitchen The book shows you every step of the way making it completely foolproof We have made cooking great Italian food easier than ever before with our unique Watch It Do It trademark video and book combination No matter what your ability in the kitchen you ll be able to enjoy great Italian dishes if you follow our format Italian Made Easy is aimed at a variety of chefs who want to make the recipes for real rather than relying on sauces bought from the supermarket We unlock the secrets of real Italian cooking providing over 50 fantastic recipes General Daily Allowance guidelines for every recipe regional variations for sauces instructions on how to make real pasta times for cookery and all the tricks professional chefs have at their fingertips *The Complete Idiot's Guide to Tapas* Jeanette Hurt, 2008 I feel like tapas tonight With *The Complete Idiot's Guide to Tapas* readers can bring the style and sophistication of these savoury Spanish appetizers into their at home dining and entertaining Cooking expert Jeanette Hurt presents 75 delectable tapas recipes and includes suggestions for the most delicious combinations Enhanced by full colour photographs this guide will add flavour and flair to any home cooked presentation for family or friends Serving tapas is the next big thing in entertaining Includes step by step information from finding local ingredients to learning proper preparation and presentation techniques Full colour photographs show readers how to prepare and present like a pro
