Personal Finance Under One Hour:

Personal Finance Under One Hour Andrew W. Brown, Brendan M. Connolly, Personal finance is not usually taught in school which leads to learning most financial lessons by making costly mistakes in the real world. Additionally, most financial experts are actually salespeople in disguise whom are looking out for their commission rather than your investment. While you personally do not need to be an expert, having some basic knowledge on personal finance and doing some research will drastically help when making financial decisions. This book will start you in the right direction. **Personal Finance Under One Hour** does not encompass everything there is to learn about personal finance but instead is designed to give you a basic overview in only an hour. Let's be honest, most people do not have the time to read a 300 page book on any topic but many people can spare an hour. Many sources such as books, websites, and personal mentors have inspired the contents of this book. The goal is to sum up the best information these sources offer so you can get the most important points in the least amount of time. By reading **Personal Finance Under One Hour** you will gain the necessary knowledge to expand your financial IQ and make better financial decisions. **Under One Hour** books are broken down into six 10 minute sections making it easier to read and learn on the go. Each section contains two or three main topics with sub topics to explore. Bold words or phrases are the highlight of the topic or paragraph while italicized words are ideas to be explored further outside of the book. *Kiplinger's Personal Finance*, 1977-09 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics. **Personal Finance for Musicians** Bobby Borg, Britt Hastey, 2023-01-30 Are you tired of living paycheck to paycheck, being broke and in debt, and watching everyone else become independently wealthy? Well, you've come to the right place. Most musicians will admit they know little about personal finance. In **Personal Finance for Musicians**, music industry and finance experts Bobby Borg and Britt Hastey coach you on how to make and save money, increase your credit score, protect yourself from identity theft, get out of debt, understand investment apps, invest responsibly, protect your assets, build a freedom fund for the future, limit your tax liability, and so much more. With step by step action tips and short digestible chapters that can be read in any order, this book is presented in a no nonsense, easy to read style that any musician can grasp. The objective is to educate and inspire you without intimidating or even worse, boring you. Let this book be your guide to financial success today. **Kiplinger's Personal Finance**, 1962-09 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics. *The Complete Personal Finance Handbook* Teri B.
