Marvellous Maps

Geography Year 5 and 6 Lesson 1

Introduction

Marvellous Maps allows children to further explore the range of maps available to geographers and to develop their understanding of the key features of maps. They will study a range of maps and atlases, including digital maps, and compare their features. They will learn to use the eight compass points to give directions and give grid references to locate places on a map. By comparing maps of the same place, children will learn about the way that places have changed over time.

Home Learning

Design Your Dreamland: A chance to draw together learning about symbols, keys and grid references as children design a Dreamland and make notes describing what features and where they are located.

Mapping the Past: Children consider how land use changes by mapping what a place might have been like in the past.

Assessment Statements

By the end of this unit...

...all children should be able to:

- Use an index to find a place name
- Find the correct page in an atlas by using the index
- Explain why maps have symbols on them
- Recognise some map symbols on an Ordnance Survey map
- Give co-ordinates by going across first and then up
- Find a location from four-figure co-ordinates
- Find differences between photographs of the same place
- Find similar features on the same place
- Find differences between maps of the same place

...most children will:

- Find a location on a page using a simple co-ordinate
- Identify physical features on a map
- Use a key to find out what a symbol means
