

Use this Self- Hypnosis Script *Instant Pain Relief*

And as you continue to relax *deeper and deeper*, into that comfortable, pleasant, and peaceful state.... And as each moment goes by, you may be surprised at how *easy* it is for you to experience the calmness, the comfort, and the *absolute* peace that you can *always* feel in this special space.... This space where you can always return to, that exists *deep* within the recesses of your subconscious mind...

Maybe it's on a luxurious cruise ship, and you're gently sailing through the calm ocean waters, moving *further and further* away from any discomfort or unease...

Or perhaps you find yourself swinging peacefully on a hammock next to a sun-kissed beach, feeling so completely relaxed as you gently sway back and forth, *back, and forth*... Perhaps as if you were a baby again, safe, and secure in cradle of your earliest memories.

And going even deeper now, letting your body relax *more and more*.

Nothing to distract you... *Nothing* to interrupt this pleasurable and soothing experience... Knowing that if you happen to wander away for a bit, all you have to do is return to this special place by *simply* thinking it, by *simply* breathing *deeply and completely*, allowing your arms and hands to become heavy... Allowing your legs to become loose and limp... And become *deeply, deeply* relaxed as you tell your *entire* body to experience relief and release.

you don't already have a favorite Hypnosis induction. Also included are 2 Hypnosis Series Programs of 3 Hypnosis scripts each for Weight Loss and Stress Reduction. Since these applications are ideally treated with a series of progressive sequential sessions which are frequently hard to find, I think that readers will be pleased with these session scripts. Readers of Quantum Hypnosis Scripts also receive a Bonus FREE full length audio Hypnosis session valued at \$9.99 available at the book's website. Detailed information on how to access your free Hypnosis session is available in the last chapter of this book. Incidentally, if you are a user of the Instant Self Hypnosis method or a reader of Eyes Open Self Hypnosis, reading these complete and suggestion-rich scripts will work well for you. For readers of Quantum Self Hypnosis and students or graduates of NEIH, these are new scripts for you, although the now familiar script framework, the beach scene, is used in all the included scripts. There are also a few essential duplicate Hypnosis applications featured in this book, complete with new suggestions and thus different scripts from those offered in Quantum Self Hypnosis. The general approach for all of the included scripts is ego strengthening and nurturing. These scripts are very helpful for professional use as well as for Self Hypnotists. Also important, there are no scripts in this book that utilize negative programming or aversion therapy. These scripts are all positive, present tense, and affirmative in nature, thus very effective. This book was written as a stand-alone text as well as a companion book to Quantum Self Hypnosis, so readers of that book will find many new and interesting scripts to use in this book. We decided at the 11th hour to include one of our well-known Stop Smoking Hypnosis scripts because it seemed wrong not to include a script for one of the most popular Hypnosis applications in this first volume of Quantum Hypnosis Scripts. Since this script is not brand new or unique, it is being included as a Bonus script and not being counted as one of the advertised 24 Hypnosis scripts included in this book. While the script isn't unique, it is very effective, so for readers looking for a good Stop Smoking script, enjoy your bonus script. This book is considered a cornerstone work by many practicing Hypnotherapy professionals. If you are looking for quality, time-tested Hypnotherapy scripts, this is the book for you.
