Calgary's Stampede Queens Jennifer Hamblin,2014 Alongside images of racing chuckwagons cowboys on bucking broncos and Aboriginal people in full regalia one of the most recognizable and enduring symbols of the Calgary Stampede is a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede s first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary s Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth

Beauty Queens on the Global Stage Colleen Ballerion Cohen,Richard Wilk,Beverly Stoeltje,2013-09-13 Modern beauty contests were invented by P T Barnum in the United States but in the 20th century pageants and contests have spread across the entire world from Nepal to Tierra Del Fuego Why are women and sometimes men in drag parading on stage such a universally appealing spectacle attracting an audience in the billions This book is the first global comparison of pageants from different parts of the world at the ways each contest is both intensely local and unique and simultaneously global and remarkable repetitious The authors use the latest tools of feminist ethnographic and literary scholarship to unpack and interpret one of the greatest and most universal spectacles of modern times

Queens of Academe Karen W. Tice,2012-03-09 Universities are unlikely venues for grading bodies beauty poise and style Nonetheless thousands of college women have sought not only college diplomas but campus beauty titles and tiaras throughout the twentieth century and the cultural power of beauty pageants continues into the twenty first In Queens of Academe Karen W Tice asks how and why does higher education remain in the beauty and body business and with what

effects on student bodies and identities Drawing on archival research and interviews as well as hundreds of hours observing college pageants on predominantly black and white campuses Tice argues the pageants help to illuminate the shifting iterations of class race religion culture sexuality and gender braided into campus rituals and student life Moving beyond a binary of objectification versus empowerment Tice offers a nuanced analysis of the making of idealized collegiate masculinities and femininities and the stylization of higher education itself *Interviews Redefined* M. K.
