given to you by Jamb during registration You could skim through it quite easily and pass your exams But sometimes you don't Examiners target areas you think aren't important and even though you've read the book thoroughly they still catch you unawares Some students are too smart albeit and others enjoy what some people call goodluck yet most others fall through the tricks every single year That is why it's so easy to make UTME and yet so easy to fail it Every literature student sitting for JAMB should expect some very elusive questions from this novel Jamb examiners are gracious at asking elusive questions And a fail for literature is a fail for Law for Mass Communication English Theater Arts Philosophy Psychology etc Poor you certainly do not want to disappoint your parents with a bad result But if you fall for the elusive exam trick Jamb examiners will set in 2023 and 2014 or get fake answers while indulging in malpractice you will fail your exam But that is why I wrote this book All you need is to equip yourself with the right tool You would pass literature excellently if you knew the right answer to every question they ask both from the literature text book and the recommended story book But what questions are they going to ask from the books Made very affordable since you are a student the 137 page length Exact Questions You Should Expect From Literature In English 2023 2024 is definitely a must read for anyone who wants to write and pass their literature in English examination with flying colors without reading to exhaustion and in futility or involving in any form of examination malpractice Eventually there's literally no question Jamb will ask you that's not already in this book
