Question Paper For Lkg Students:

I, Athira... S Athira,2024 Some features of this book Athira provides a personal account revealing how radical religious groups manipulate individuals into converting initially fostering a sense of aversion to their own culture and religion then to their society country family and eventually their own identity This book offers guidance on how to rehabilitate and help those who have lost their ability to think critically and logically after being influenced by extremist ideologies through the process of Spiritual Counselling This book is for all religious converts and those who are on the verge of converting A patient reading of this book will surely make you rethink your decision to convert *Hybrid Intelligent Systems* Ajith Abraham,Tzung-Pei

Hong,Ketan Kotecha,Kun Ma,Pooja Manghirmalani Mishra,Niketa Gandhi,2023-05-24 This book highlights the recent research on hybrid intelligent systems and their various practical applications It presents 97 selected papers from the 22nd International Conference on Hybrid Intelligent Systems HIS 2022 and 26 papers from the 18th International Conference on Information Assurance and Security which was held online from 13 to 15 December 2022 A premier conference in the field of artificial intelligence and machine learning applications HIS IAS 2022 brought together researchers engineers and practitioners whose work involves intelligent systems network security and their applications in industry Including contributions by authors from over 35 countries the book offers a valuable reference guide for all researchers students and practitioners in the fields of Computer Science and Engineering **A Learning Community of Reflective Teachers**

Neeraja Raghavan,2024-02-06 Teachers possess a wealth of untapped wisdom and valuable experience Be it educational policy curriculum development or textbook selection rare are the instances when teachers views are solicited Traditionally teacher development has been driven by administrators of schools and it often takes the form of a mentor teaching the staff of a school But what happens when teachers across different locations collaborate and learn together This volume documents such an initiative sparked off by the Covid 19 pandemic which brought people together online It showcases the power of teachers debating discussing and learning from each other Based on an Indian experience this book addresses a range of issues that teachers and educators across the world face encompassing pedagogy classroom management school culture and teacher development A unique story of community building and teacher education this book also contains key outcomes and insights while taking us through their action research projects It showcases a model of teacher development that can be adopted by interested readers anywhere in the world Above all it brings out the crying need for a teacher s voice to be heard for far too long teachers have been mere implementers of decisions taken by policymakers or managements of schools By means of networking communities such as the one described in this book the transformation of teachers going from whispers to resonance is greatly amplified An important intervention in the domain of teacher development this volume will be of great interest to students researchers educators teacher educators and sociologists of education It will also be useful for teacher trainees academicians policymakers schoolteachers curriculum developers teacher training institutes and universities
