Bellamy,1926 **The Creative Storytelling Guide for Children's Ministry** Steven James,2002 Whether you re new to storytelling or you ve been telling stories for years this book will help you tell God s story more creatively and effectively than you ever imagined you could Enjoy this library of favorite Bible stories and storytelling techniques developed by award winning author and professional storyteller Steven James Each book includes creative storytelling techniques especially suited to help teachers tell God s story and involve children in the Bible story **From Riches to Rags** Jaclyn Howell,2018-03-06 Most people anticipate a success story that describes a character s real life or fictional triumph from rags to riches What if we turn the tables and read about an already lucky character who was practically born with a silver spoon in her mouth looks down upon others who have less than her or who don t meet her standards feels entitled to get what she desires from others and gets away with countless bullying antics at school since her father knows what strings to pull to get her out of trouble Meet Serendipity a k a Serene who needs to be humbled in her world of entitlement to fill the endless void she is trying to fill How will she turn from her vacant and selfish ways if she doesn t have God in her life Does she need to lose everything and go from riches to rags to find her purpose in the life that God intended for her **The Epworth Herald** ,1899 **Storytelling Against Extremism** Linda Schlegel,2025-05-23 Counter and alternative narrative CAN campaigns have become a widely used tool in contemporary efforts to prevent and or counter violent extremism P CVE However one element is conspicuously absent from the discourse There is little engagement with CANs as narratives and neither CAN theory nor practice are based on existing research findings on narrative persuasion processes This is a crucial gap in the current CAN approach Not situating CANs within the broader discourse on narrative persuasion and drawing from the insights narrative persuasion studies offer significantly weakens the theoretical foundation practical development storytelling quality and analysis of CAN campaigns This book addresses this research gap and transfers concepts theories and insights from narrative persuasion and storytelling research to the context of P CVE narrative campaigns The author demonstrates that the often criticized CAN approach can be improved significantly by understanding CANs as narrative persuasion campaigns and grounding them in existing research detailing how to tell entertaining and persuasive stories Riches to Rags to Riches Heidi Guttman,2012-10-17 It says in the Bible that we are to give 10% of our gross income to God which is the tithe We are to take our tithe to our local church Many make out their tithe without really giving it much thought which is the way it should be Whereas many others put too much thought into tithing which only complicates the act of tithing God made tithing to be very simple and uncomplicated In Riches to Rags to Riches The Power of Tithing author Heidi Guttman tells her story of tithing Life for Guttman was good She had material things that would make many people envious a beautiful townhouse expensive art awesome cars gorgeous furs expensive jewelry and a sport yacht among other things There was even a leather high chair for the baby When she lost most of her possessions because she disobeyed Gods instructions about tithing however Guttman learned the power of material wealth to distance her from God Riches to Rags to Riches The Power

of Tithing teaches the importance of tithing from Gods perspective Learn about the rewards you can reap from tithing and the losses you can sustain from not tithing Guttman learned the difference firsthand When she began tithing faithfully God restored her in all ways This can happen to you As a result of tithing you can experience Gods love peace and abundance a blessing that so many people long for *Riches to Rags* ,2015 Harried by work Roland wishes in a magic mirror to switch places with the baker but when this actually happens the former king discovers that being the baker is not so easy **The Tired Captains** Kent Curtis,1928 **The Seven Basic Plots** Christopher Booker,2004-01-01 This book at last provides a comprehensive answer to the age old riddle of whether there are only a small number of basic stories in the world Using a wealth of examples from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today it shows that there are seven archetypal themes which recur throughout every kind of storytelling But this is only the prelude to an investigation into how and why we are programmed to imagine stories in these ways and how they relate to the inmost patterns of human psychology Drawing on a vast array of examples from Proust to detective stories from the Marquis de Sade to E T Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years and why so many stories have lost the plot by losing touch with their underlying archetypal purpose BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
