Saga Of An Ordinary Man:

The Life of an Ordinary Man Norman Ross, 2020-07-17 I enjoy writing I don't possess an imagination that can make up fiction so I only write about actual historical events particularly those that occurred during my life As has been said truth can be stranger than fiction Necessarily my writings include stories involving my forebears but they predominantly document events that took place during my marriage with Alida I was born and raised in Scotland a country known for its excellent education system I was able to read and write before my sixth birthday As a boy I read extensively first comics then the classics I say comics but the weekly publications Rover Wizard and others consisted solely of adventure stories words without any pictures Boys would create pictures in their own minds to illustrate what they were reading I hope that readers will be able to form word pictures in their imaginations when they read the stories in this book **Saga of an Ordinary Man**

THE SHADOW OF MONSTROUS THINGS and RISE GOLDEN APOLLO we find Josh still a prisoner in a secret facility hidden within Australia's central desert. He is nothing but a test subject. Since his capture in 2019, his life has been nothing more than training and wandering the same corridors as a lab rat. All of that changes when US Navy Seal Patrick Leeson, codename Neanderthal, arrives with an offer Josh can't refuse. In the USA, they need a monster to take down a monster, and Josh appears to be the man for the job. But can the wolf that hides within him really be managed? And what strange circumstances surround the appearance of the wendigo in those woods? Uncover the mystery now in THE WENDIGO INCIDENT. This novella leads straight into the THE OLD WORLD SAGA BOOK THREE IN THE SHADOW OF THE OLD WORLD *To Give to the Light* Michael DiMarco, 2024-10-01. This biographical novella is about family life surviving world wars, immigrating and adapting to a new culture. It's a story based on the life of Michele DiMarco, 1893-1975. Readers will envision the majestic natural beauty of Michele's home village in central Italy and learn of its rich history. Readers will also sense the harsh reality of life that forced Michele to emigrate. Shortly after Michele arrives in the US, he is drafted into the Italian army. He returns to Italy to fight in WWI, is wounded, taken prisoner, and escapes. Michele crosses the Atlantic a second time, takes menial jobs, and eventually starts his own bakery. His success leads to purchasing a home, marrying, and having three sons. How does the mafia and the Great Depression change his life? Although the story line focuses on Michele, strong relationships are presented throughout the main being with his parents, brother, wife, and grandson. What happens to his family and friends in Italy during WW II is also detailed. This biographical novel is about life values revolving around family, a strong work ethic, humor, and love. The main character is not a unique representative of this value system. Many others sacrificed as he did, cared for their families, and had compassion for others. This book will encourage everyone who has grey-haired relatives to get to know their stories, especially if they are immigrants. Their histories nourish our roots so healthy branches continue to grow. The Black Stiletto: The Complete Saga Raymond Benson, 2015-07-15. New York Times and USA Today Best Selling Author.
