International Human Resource Management P. L. Rao, 2008 Managing people in a multinational context is the essence of international human resource management This requires a broader perspective of what operating internationally involves and a clear recognition of the range of issues pertaining to all categories of staff operating in different functional task and

managerial capacities Books that are available on the subject are heavily loaded with cultural aspects rather than HRM processes From teaching experience it is noticed that students who are familiar with domestic HRM books find it difficult to comprehend the subject of international HRM Therefore the topics are arranged in the traditional HRM style with international implications at each stage A separate chapter is allocated for Expatriation Repatriation Similarly Management of People in international context in sixteen countries is discussed in a separate chapter The text aims to cover in terms of industries to illustrate the activities and approaches of international organisations Also the coverage of different cultures is not intended to include all the different and diverse cultures of the world simply to enable sufficient understanding of the cultural contexts from which many of the approaches are derived and to provide background on the appropriateness of different aspects of managing people in international organisations A detailed treatment to empirical researches on cross cultural issues and cross cultural comparative management issues arising out of cross border mergers and acquisitions as well as human resource issues emerging out of global acquisitions of Arcelor and Corus by Indian companies and companies of Indian origin are also treated in the text **Occupational Outlook Handbook, 2002-2003** United States.
