

CHAIRMAN'S PRE-ELECTION SPEECH
ON OCCASION OF THE LOCAL GOVERNMENT ELECTION TO BE HELD
ON MONDAY 21ST OCTOBER, 2013

My dear fellow citizens, ladies and gentlemen, good evening! I wish to address you on this the eve of the country's Local Government Election 2013; our third election for the year. One more to go!

Tomorrow's election embraces 136 Electoral Districts in 14 electoral areas comprising 2 Cities, 3 Boroughs and 9 Regional Corporations and an electorate of a little over one million and thirty-six thousand. Associated infrastructure includes two thousand and eighty Polling Stations. Human resources: fifty-three Returning Officers and nearly eleven thousand Poll Day staff, not to mention all the supporting staff of the EBC's Department headed by the Chief Election Officer and also members of the Commission! National elections, be they Parliamentary, Local Government or Tobago House of Assembly, are undoubtedly the largest logistical exercises the country undertakes at any time. In a sense, a Local Government Election is the most complicated of all, since the number of electoral districts and consequently the number of Returning Officers invariably exceed to a significant degree the corresponding numbers for Parliamentary and Tobago House of Assembly Elections.

Tomorrow's election is an historic one in that for the first time in any national election in Trinidad and Tobago, a system of proportional representation (List-PR system, for short), is being introduced – specifically in this case for the selection of Aldermen to City Councils, Borough Councils and the Councils of Regional Corporations. Previously Aldermen were chosen by Councillors. Councillors shall however be elected on the First-past-the-Post system as in the past. The rationale of PR Systems lies in an attempt to reduce the disparity or inequality if you like, between a Party's share of the total votes cast and its share of the number of Aldermanic seats in a Council. Thus, if a Party wins, say, 60% of the vote, the premise is that it should receive approximately 60% of the seats. Similarly, if another Party gains 30% of the vote, then
