Jeff Nimoy,2012-11-19 Did you know that cavemen didn t have cancer They didn t have heart disease either Nor did they have diabetes They didn t even have tooth decay Yeah I didn t know that shit either My first question was How do they know But they know This isn t a book about archeology or anthropology so you ll have to look up that research on your own you lazy bastards This is a book on how what many people perceive to be a fad diet transformed me into a healthy skinny ripped human machine without much exercise at all Too good to be true you ask What s this jerk wad trying to sell me What do I have to do read his book and then buy the diet plan sold separately to get his secret What a rip off artist Nope nothing to buy except this book you cheap bastards because I found the diet all by myself on the Internet free of charge There are several books out there on the Caveman Diet also known as the Paleo Diet but it s so simple a caveman could do it and there s so much info out there I think those books are a rip off Now my next cookbook that s a different story altogether Get those credit cards ready you fat bastards I ve already started on my second book You re about to read how I a lowly Emmy Award winning writer producer voice actor director accidentally stumbled upon the Caveman Diet and how it transformed my body

my mind and my spirit and in doing so alienated me from almost everyone It limited the ingredients I could eat yet sparked my creativity and made me into a pretty amazing cook if I do say so myself cause I certainly wasn't when I started Healthy eating and dieting does not mean deprivation I promise you if I can do this anyone can do this It just takes a commitment to change for the better I am in the best shape of my life rarely exercise and I eat LIKE A KING
