Believe It or Not Ripley the enigmatic cartoonist turned globetrotting millionaire who won international fame by celebrating the world s strangest oddities and whose outrageous showmanship taught us to believe in the unbelievable As portrayed by acclaimed biographer Neal Thompson Ripley s life is the stuff of a classic American fairy tale Buck toothed and cursed by shyness Ripley turned his sense of being an outsider into an appreciation for the strangeness of the world After selling his first cartoon to Time magazine at age eighteen more cartooning triumphs followed but it was his Believe It or Not conceit and the wildly popular radio shows it birthed that would make him one of the most successful entertainment figures of his time and spur him to search the globe s farthest corners for bizarre facts exotic human curiosities and shocking phenomena

Ripley delighted in making outrageous declarations that somehow always turned out to be true such as that Charles Lindbergh was only the sixty seventh man to fly across the Atlantic or that The Star Spangled Banner was not the national anthem Assisted by an exotic harem of female admirers and by ex banker Norbert Pearlroth a devoted researcher who spoke eleven languages Ripley simultaneously embodied the spirit of Peter Pan the fearlessness of Marco Polo and the marketing savvy of P T Barnum In a very real sense Ripley sought to remake the world s aesthetic He demanded respect for those who were labeled eccentrics or freaks whether it be E L Blystone who wrote 1 615 alphabet letters on a grain of rice or the man who could swallow his own nose By the 1930s Ripley possessed a vast fortune a private yacht and a twenty eight room mansion stocked with such oddities as shrunken heads and medieval torture devices and his pioneering firsts in print radio and television were tapping into something deep in the American consciousness a taste for the titillating and exotic and a fascination with the fastest biggest dumbest and most weird Today that legacy continues and can be seen in reality TV YouTube America s Funniest Home Videos Jackass MythBusters and a host of other pop culture phenomena In the end Robert L Ripley changed everything The supreme irony of his life which was dedicated to exalting the strange and unusual is that he may have been the most amazing oddity of all
