Parastas Funeral Service:

The Wedding of the Dead Gail Kligman, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1988 **Friar Bernard**

Bakonja Simo Matavulj, 2018 In a village in the Dalmatian hinterland a once in a generation event is about to take place The time has come for the Jerkovi clan whose holy lineage goes back twenty four generations to assemble and select a new student among its youth and send him off to a monastery to begin his schooling under the auspices of the clan chief's brother Friar Bernard But things quickly take a turn for the worse when a fight nearly breaks out over the presumptive choice the clan chief's son Bakonja In his novel Friar Bernard Bakonja Matavulj offers a revealing and humorous portrayal of life and customs in XIX century Dalmatia centred on a picturesque monastery and its monks with all their virtues and weaknesses The monastery becomes the stage for almost the entire plot and the nexus in which characters hopes beliefs fears and superstitions intersect With his memorable cast of characters and impeccable knowledge of local folklore language and religion Matavulj brings to the forefront the essence of life of one whole region and leaves behind an imprint that has withstood the test of time Translated into English in time for 125th anniversary of its first publication in 1892 the novel stands as a vivid testament to the Dalmatian ethos through centuries past **DAD, CAN I BORROW THE HEARSE?**

Thomas J. Van Kula, 2021-10-07 Located within the boundaries of one of the East Side of Detroit's bluest of blue collar neighborhoods 9074 St Cyril Avenue served a dual purpose funeral home and family residence Occupying the first floor of the impressive yellow bricked structure from 1942 until 1978 was the Van Kula Funeral Home the second floor I called home For over four decades I was associated with death and dying on an almost daily occurrence Residing over a funeral home with five siblings added to the plenitude of memories poignant humorous and enduring As an observer and eventual practitioner of one of the world's oldest professions I have borne witness to human nature under the most demanding of emotional circumstances In DAD CAN I BORROW THE HEARSE I have attempted to present a summary of events as they related to me The Funeral Director's Kid **Death to Dust** Kenneth V. Iserson, 2001 In our culture we rarely speak about death partly because it is seen as a sort of pornography shrouded in indecency and immersed in taboos and partly because we know so little about it Yet nearly everyone at some point has questions about what happens after death At long last here is a book to answer many of those questions What physical changes occur to a dead body **Andy Warhol's Mother** Elaine

Rusinko, 2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art Julia Warhola's story has not yet been told As an American immigrant who was born in a small Carpatho Rusyn village in Austria Hungary in 1891 Julia never had the opportunity to develop her own considerable artistic talents Instead

she worked and sacrificed so her son could follow his dreams helping to shape Andy's art and persona Julia famously followed him to New York City and lived with him there for almost twenty years where she remained engaged in his personal and artistic life She was well known as Andy Warhol's mother even developing a distinctive signature with the title that she used on her own drawings Exploring previously unpublished material including Rusyn language correspondence and videos Andy Warhol's Mother provides the first in depth look at Julia's hardscrabble life her creative imagination and her spirited personality Elaine Rusinko follows Julia's life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York Rusinko explores the impact of Julia's Carpatho Rusyn culture Byzantine Catholic faith and traditional worldview on her ultra modern son the quintessential American artist This close examination of the Warhola family's lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them *Romanians in the United States and Canada* Vladimir

Wertsman,2002 This vital volume is the most extensive up to date resource available for Romanian research an excellent tool for genealogists historians ethnic research specialists and hobbyists listing more than 1 000 annotated books periodicals and Web site sources Back cover *Peopling Indiana* Robert M. Taylor,Connie A. McBirney,1996 **Along the Enchanted**

Way William Blacker,2010-10-28 Chosen for the Duchess of Cornwall's online book club The Reading Room by HRH The Prince of Wales When William Blacker first crossed the snow bound passes of northern Romania he stumbled upon an almost medieval world There for many years he lived side by side with the country people a life ruled by the slow cycle of the seasons far away from the frantic rush of the modern world In spring as the pear trees blossomed he ploughed with horses in summer he scythed the hay meadows and in the freezing winters gathered wood by sleigh from the forest From sheepfolds harried by wolves to courting expeditions in the snow he experienced the traditional way of life to the full and became accepted into a community who treated him as one of their own But Blacker was also intrigued by the Gypsies those dark foot loose strangers of spell binding allure who he saw passing through the village Locals warned him to stay clear but he fell in love and there followed a bitter struggle Change is now coming to rural Romania and William Blacker's adventures will soon be part of its history From his early carefree days tramping the hills of Transylvania to the book's poignant ending *Along the Enchanted Way* transports us back to a magical country world most of us thought had vanished long ago *Through the Melting Pot and Beyond* Michael W. Evanoff,1979 **Solia** ,1998 **Obituaries and in Memoriams** Beverly A.
