Dear Eagle Board of Review:

I enthusiastically offer this Eagle Scout Letter of Recommendation in support of Sammy Mwatha's application for the rank of Eagle Scout.

I have known Sammy for nearly twelve years. Sammy and my grandson Brian became fast friends in 2015 when his family moved into our neighborhood in Southern Lines. Each passing year, their friendship only seems to grow deeper.

While my grandson has been blessed with a close-knit social group of friends that has largely remained intact since his junior school years, Sammy has been a dependable and steadfast pal. He is Brian's trusted confidant, a calm voice of reason.

Growing up can be pretty challenging. Teenagers are sometimes forced to make complex and decisions in the face of temptation and a myriad of distractions. There is one particular example in my mind that highlights Sammy's solid values and ethics.

During the boys' sophomore year, a leaked copy of the final physics exam circulated among their classmates. A copy of the illicit document arrived in the email inboxes of Sammy and Brian while they relaxed at our house. While my grandson Brian shillyshallied over whether to open and read the email, Sammy put his foot down and counseled Brian to destroy the email. The boys deleted the email before opening it and disclosed the issue to the school administration.

For Sammy, there was no clear incentive to act this way, but his conscious and sense of right and wrong shined through. I recommend Sammy without reservation.

Please feel to contact me at [pete2 @ yahoo . com](mailto:pete2@yahoo.com) or (837) 234-7794 if you want more details about Sammy.

*Sincerely,
Peter Barnet*

personal interests and present the best version of themselves in the elite admissions process EXCERPT FROM THE BOOK
The purpose of the application in selective admissions is to understand the context from which the applicant is coming In order to decide which students to admit when admit rates are so low Once the context has been established then the admission officer tries to find out if the student has taken advantage of the opportunities available to him and has either a made a lasting impact in his community in some way or b has the potential to make a lasting impact in his future community college and beyond Despite popular belief every application is actually read in its entirety by an admission officer in the selective admissions process *Medical News Letter* United States.
