

WELCOME BACK

Dearest Bobcat Families!!

We are more than excited to welcome everyone back for the 2020-2021 school year! Last year was defined by an immense amount of change for our school as a whole, our staff, parents and our students alike. As an entire family, we displayed a great deal of resilience in the times of unrest and uncertainty. We thank each and everyone of you for your undeniable support and trust during the year, but especially over the last few months.

In light of this, if we have learned nothing else it is the value of teamwork! So it is fitting I announce our theme for this upcoming school year as "Teamwork Makes the Dream Work"! We **MUST** work together for the safety, health and wellbeing of **EVERYONE**!

As we enter into a new way of work, procedures regarding visiting the campus will change and be different than any other year. We are working diligently with our district leadership and monitoring CDC, state and district guidelines to ensure we are making the best decisions for our Bellamy family! As difficult as change may be, it is **CRITICAL** we all become comfortable with this new way of work so we can remain **SAFE** and **IN SCHOOLS**!

We will be welcoming new members to our family this year! On the next page, please learn more about these dynamic educators. I know you will be just as welcoming to them as you were when I came to Bellamy. I cannot wait to enter this year with the joy of seeing everyone's faces in our newly renovated school that is eagerly awaiting your arrival!

With Love and Respect,

Jessica Hessler and Daniel Ruiz

Because participation in sports is an integral part of the educational experience for students in both public and private schools it s essential that school psychologists and counselors have a solid foundation to help ensure the well being of student athletes School Sport Psychology is a comprehensive overview of this fast growing field with guidelines for school psychologists who want to gain a better understanding of sport psychology to extend their skills and enhance their effectiveness The book presents perspectives programs and procedures for working with administrators and coaches to help students develop physically mentally and emotionally *Pathway to Excellence* Dennis M. provides a wonderful opportunity for a Christian witness Often coaches find it difficult to form a marriage between their coaching and a Christian lifestyle This book intends to meld the two together providing clear effective teacher education and biblical advice to Christian coaches The book also provides selected scriptures from God s Word Can a Christian coach really make a difference How can one Christian coach save the world of sport Well first there is more than one Christian coach out there Second if there was only one Christian coach willing to go to battle with Christ they would fight and win One coach plus Jesus equals a majority Recall that it appeared as though David didn t stand a chance when he went to fight Goliath David was not alone David knew that God would be with him Was he afraid Maybe but his faith in God was greater than his fear Hopefully this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior
